## True Mother's Message at the Grand Cheonbo Festival

*True Mother spoke to Cheonbo couples, at the Grand Cheonbo Festival celebrating the Centenary of True Father and the 60th Anniversary of the Holy Wedding of True Parents & Special Blessing Ceremony 2020 which was held on October 10, 2020*

How long we have been waiting for this one day! Our Heavenly Parent has wanted to fulfill His dreams together with his children on earth. However, the human Fall filled our Heavenly Parent with so much pain. How difficult it has been for Him, how much He has endured, how long He has waited for this moment.

The families inducted as Cheonbo today are the authentic citizens of Cheon Il Guk, registered as the original clear and pure Cheonbo (heavenly treasures) that Heavenly Parent has dreamed of seeing.

While we are on earth we must offer to the Heavenly Parent, who has been waiting, one family of humankind that attends the Parent of all people, which is Heavenly Parent's and True Parents' heartfelt desire. In welcoming this day, families inducted into CheonBo today have the responsibilities of the citizens of Cheon Il Guk. How we expand our heavenly spiritual energy as CheonBo families toward our neighbors, tribes, nations and the world while we are on earth will determine whether we fulfill our responsibilities as families happily registered under the name of CheonBo — and through this we will achieve eternal freedom when we go to the spirit world. I hope, then, that you will all become great and prominent families who receive respect and love forevermore, generation after generation, throughout the course of human history.

In the Bible we read that whatever you loose on earth will be loosed in heaven. The earth plane is essential. Hence, in order to live lives without blemish or stain, you must absolutely become one with God's only begotten Daughter, the True Mother, and work toward the completion of the providence. Please remember that this is the only way for you to stand in a position where you can receive Heavenly Parent's congratulations and blessings.

Hence, I am calling all families who have been inducted as Cheonbo, and all blessed families, to work with me in restoring at least one-third of the human race. It is my sincere hope that by 2027, at the 60th Heavenly Parent's Day, you will all be able to report to Heavenly Parent: "Though our offering is insufficient, we did our very best."

오늘 최종적인 완성의 완결을 지어 아버지 앞에 돌려드렸사오니  
지금까지 한 생을 아버지 앞에 바친 줄 알고 있사오니  
그 뜻대로 이제는 모든 생을 종료하는 시간을,  
정성드려 종료하는 시간을 갖추어 가지고  
본연의 에덴동산 타락이 없는 동산으로 돌아가 가지고  
아담의 아내가 잘못되고, 아담의 책임분담에 걸린 것을  
다 초월할 수 있도록 모든 것을 해방석방의 권한을 가지고

가시는 날 아버님이 나한테 너무 고맙다고 하셨습니다.  
너무 미안하고, 너무 고맙다고 말씀하셨습니다.  
나는 여러분과 함께 아버님이 남기신 뜻을  
이루어 드리고 싶습니다.

나오자되는 아들딸이 없기를 바랍니다.  
그것이 내 소원이기도 합니다.  
아버님도 바라시는 것입니다.

아버님을 보내드리면서 내가 마음 아파한 것은  
이렇게 힘들게 가셔야 할 분이 아니라는 것입니다.
