# 7. a TESTIMONIES

## 2. Generation, 24, Male, Poland, Glanow CheonBo VOD event, 2022. October 1.

Today I had an opportunity to participate in CheonBo WS together with all my family. I really felt that during Chanyang Yeoksa session I could really connect with God and the spiritual world. I shared my emotions and I was able to express my heart. The CheonBo events always help me to reconnect with things which are important to me and remind me what to work on. I'm really grateful to see all the community united and working on creating an amazing spirit and create a good environment to invite our ancestors. I was also inspired to see CheonBo staff working to make this event possible. I could see a lot of effort and heart behind it. Thank you for your hard work!

# 7. b TESTIMONIES

## 2. Generation, 24, Female, Poland, Glanow CheonBo VOD event, 2022. October 1.

I participated in several CheonBo events before, some in Europe and some in Korea. I've felt the grace from Heavenly Parent every time, this time since it had a long time that I could not participate, I was sceptical how it will go, even though I still tried my best during Chanyang Yeoksa session. I have been sick for over a year now, and I felt like I really needed to attend Chanyang Yeoksa session; when the CheonBo staff came to me to do Chanyang Yeoksa, **I felt my body so heavy, I felt like I was carrying so much weight on my shoulders and I couldn't stop crying just thinking about how many bad spirits are holding onto us in our daily life. This is why I'm so grateful to Chanyang Yeoksa for helping us liberate and free ourselves from all the spiritual burden.**

# 7. c TESTIMONIES

**Maryvonne Calvis, Female, Spain, Colmenar Viejo CheonBo VOD event, 2022. October 1.**

I would like to thank President In Pyo Moon, and the whole European CheonBo team for this event. It's a lot of energy, but it's worthy. **This time we could understand even better the Providence of CheonBo and all the efforts made by our True Parents to prepare this place in Korea, and also the importance to work with the spiritual world and our ancestors, to receive their help, as True Mother always says, we cannot solve the problems of the world only with human efforts, we need God's help.** Thank you for all the guidance we received through this event, from Rev. Lee Gi-song and also from Rev. Giuseppe Cali. We could understand very well, the English voice was very clear. Thank you. I am so moved by the intensity of prayer devotion they are doing in Korea in the night. Thank you so much once again for all dedication, love and hard work behind of this CheonBo VOD event.

# 7. d TESTIMONIES

**Miguel Calvis, Male, Spain, Colmenar Viejo CheonBo VOD event, 2022. October 1.**

**Recently I have some problems of sight in my eyes.** Several times I lose partially the vision. I have been consulting with the public doctors, and could not find a concrete solution. Last week I went also to a private doctor, to see more in detail about this problem. **Today in the Chayang Yeoksa session in the Cheonbo VOD event, at the time that we concentrated on the eyes, I could feel some energy that was going from my hands, to the eyes. It was not my personal energy, it was a kind of Spiritual energy, and now I feel more hope for my eye's situation.**

# 7. e TESTIMONIES

## 2. Generation, 20, Female, Poland, Glanow CheonBo VOD event, 2022. October 1.

In the last days, I had some difficulties how to present True Parents' work to other people who are sceptical about them, and I felt insecure and uncertain about how to move on. **During the Chanyang Yeoksa session when it was about to finish, I had a strong feeling of unity with the gathered brothers and sisters, and I heard a voice that told me "You belong here".** Even though I don't know many things about my future and what will be next, **I felt reassured and content that I'm in the right place.** I feel very grateful to Heavenly Parent and True Parents for guiding and loving us this greatly!

# 7. f TESTIMONIES

**Anonymous, 53, Male, Latvia, Riga CheonBo VOD event, 2022. October 1.**

Today during the prayer after the ancestors' liberation ceremony, I experienced a deep gratitude to God, True Parents, Dae Mo Nim for their long path of indemnity that they went in order that we can experience such an amazing grace. Never before people could receive such a gift of liberation and be purified from sin. Even Jesus could not do such substantial works as True Parents. I was especially touched by the words of South Europe Director Rev. Giuseppe Cali when he talked about the clear vision and solutions True Parents give us to change this world. **CheonBo workshops are not just ceremonies or church work but substantial acts to build a heavenly environment.** We, however, have a responsibility to change ourselves and the only way is to become one with True Mother. Thank you so much to Heavenly Parents, True Parents and all who invest in the CheonBo Providence.

# 7. g TESTIMONIES

**Rev. Adza Mould, Male, UK, Chislehurst CheonBo VOD event, 2022. October 1.**

I realised from the Cheonbo event that evil spirits are working hard to prevent us from receiving the grace from Heavenly Parent and True Parents, and they will do a lot to prevent it. Therefore, it is critical to always make serious internal conditions while preparing the event.

Some participants also reported to me that at the beginning of the Chanyang Yeoksa session they felt a heavy spirit in the room, but with 100% investment during the Chanyang session, the atmosphere improved. Another participant felt strong opposition to coming to the event but when he did attend and while praying in the Cheonshim Won, he felt good spirits were around him providing protection.

**Thank you beloved True Parents!**
