Divine Principle Workshop In October - Friday 28th to Sunday 30th October at Cleeve House

[Registration Form](#)

Have you ever thought about the purpose of life or the reality of the afterlife? What relevance does a supreme being play in today's world, if any? Can the root conflict within ourselves be ever resolved? Is the future bright or are we finally sliding into oblivion?

Answers to these questions and many others will be discussed centred around a series of presentations featuring revelations given to Sun Myung Moon, founder of numerous organizations and projects for peace worldwide.

Please join us at historic Cleeve House in Wiltshire, where Virginia Woolf - the famed modernist author - once stayed, for an intriguing and possibly life-changing weekend. Starting at 7pm on Friday 28th October and finishing at 5pm on Sunday 30th, the £70 registration fee covers meals and accommodation, music, great discussion and good vibes!

Venue: Cleeve House, Trowbridge Rd, Seend, Melksham SN12 6PG

Volunteers required to cook on the workshop (all expenses paid)
