Overview of the Education Requirements for Matching and Blessing:

Please note that each candidate has to complete the necessary education in order to be able to attend the Blessing. Ideally this education should be completed before starting with the Matching Process. It is important to prepare well before beginning the search for a possible partner and this education will help families to approach the matching in a better way.

Level 1

Target: 17 years and older 1st Gen members

Where: local and community level

When: once a year, depending on the nation

Requirement for the Blessing: No

Overview Part 1

Target: 17 years and older 1st Gen members
