Come and enjoy an evening of Ukrainian culture with us while supporting families that remain in the Ukraine! Enjoy Ukrainian song, music, dance, skit, food/refreshments and a raffle. The evening will feature cultural performances by Ukrainian Diaspora, including refugees who recently arrived in the UK. Performances include a children's choir, a folk band, a duet, guitar players, a song with dance and pantomime, and readings. Ukrainian home-made savoury and sweet refreshments will be available for tasting and for sale.

We are families supporting families - 100% of the proceeds will fund EcoFlow Solar Generators to send to Bakhmut, Ukraine, where 600 people remain that have been without electricity for nearly a year. Access to Bakhmut is highly restricted, but our community has been able to send aid there. This time we want to send solar generators. One generator costs £900 and is enough to power up to 11 devices at once, helping civilians amid power-cuts to prepare food, charge devices, have light and live as normally as possible in the circumstances.

Tickets are £10 per person, and under 2 year-olds go for free. If you can't make it to the event, please consider supporting us by purchasing a ticket anyway or donating on our GoFundMe page: gofund.me/ec0c6032. Thank you in advance for your contribution to this cause.

You are warmly welcome, we look forward to seeing you there!
