

FFWPU UK: Navigate The Legal and Practical Challenges Of The Blessing

Michael Balcomb
April 5, 2023

The European Blessed Family Department is inviting all officially matched and newly-Blessed couples to a webinar that aims to tackle the legal and practical challenges of the Blessing.

What to expect?

After a short icebreaker and HDH, we will listen to a talk by the speaker of the day, and then meet in small discussion groups. In these groups we will do our best to keep partners together (if both attend) with other matched/blessed couples.

This event is part of the Building Our Blessing series. Building our Blessing is a series of events with the purpose to support couples in preparation for the Blessing and in the first months and years after the ceremony.

When? April 18th, 19.00-21.00 CEST (18:00 BST/20:00 MSK)

Topic: Legal and Practical Challenges of the Blessing

Speaker: Nikolay Gerov
