Over the years, our very own William Haines has lectured far and wide, teaching thousands the way of the Principle and our values. In recent years, his content has been documented in video form which is what we aim to highlight with this article series; William's Wisdoms!

This week, we highlight William's "[Good Governance](#)" lecture series. This series explores what the role of government should be in the areas of family, economy, society, education and religion.

[Examining the rationale for government and what the role of government should be in the areas of family, economy, society, education and religion. The analytical framework will of course be the Divine Principle and looking at the possible policy implications.](#)

Below is the first lecture of the "[Good Governance](#)" series:

You can watch William's collection of content and lectures by visiting the [Education](#) page of this website and clicking on [Talks and Lecture Series](#) under Life of Faith.
