

Laying a Foundation for the Settlement of a Heavenly Unified World

Heavenly Europe and Middle East Report, Analysis, Goals

Sunday June 18 2023, Camberg, Germany

A world map in a light gray, textured style is centered in the background. The map is overlaid with a pattern of translucent, multi-colored geometric shapes (triangles and squares) in shades of blue, teal, and green. These shapes are arranged in a way that creates a sense of depth and movement, with some areas appearing more prominent than others. The overall effect is a modern, digital aesthetic.

EUME STRATEGY

Overview of the Regional Approach and Priorities

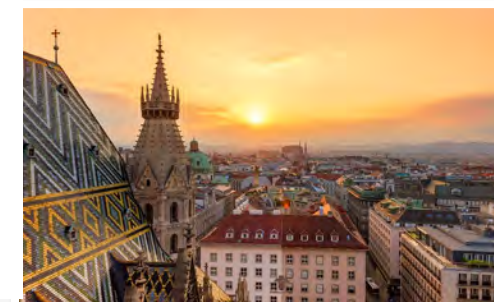

Topics Considered in this Report

- The Situation on the Ground in the EUME Region
- The Four Great Innovations from IHQ
- The Three Main Areas of Focus
- The Three 20-month Periods
- How we can better help each other succeed
- The overall goals

THE SITUATION IN EUME

Europe and Middle East

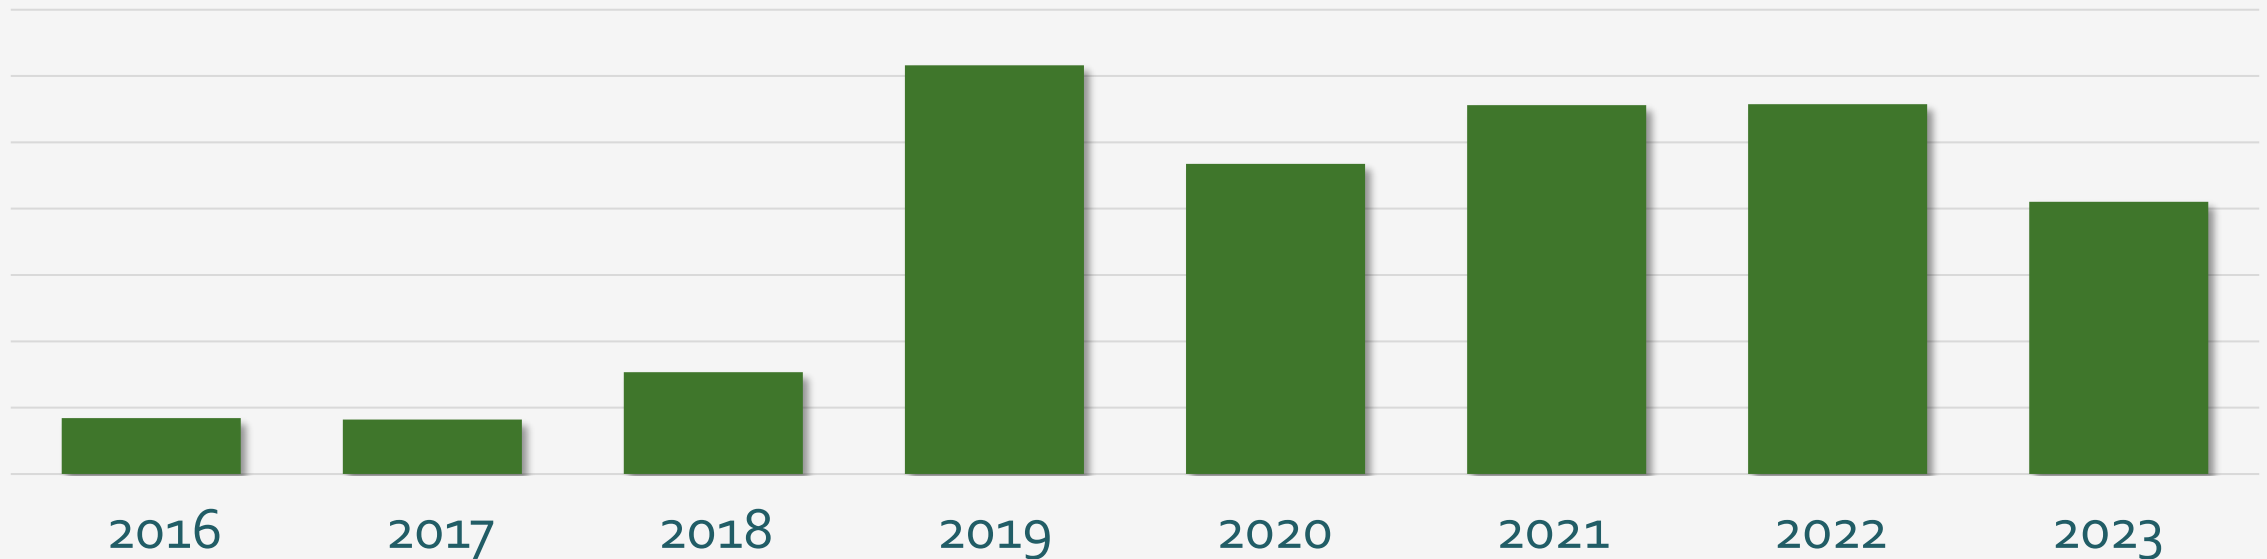

71 Nations (57 active) / 40+ Languages

EUME by (some of) the Numbers

- 55 active nations, 121 communities
- 3000 families membership / 1500 active families
- 500 Cheonbo victor families
- Wide economic variations, but net contributors
- Most but not all nations have at least one registered organizations

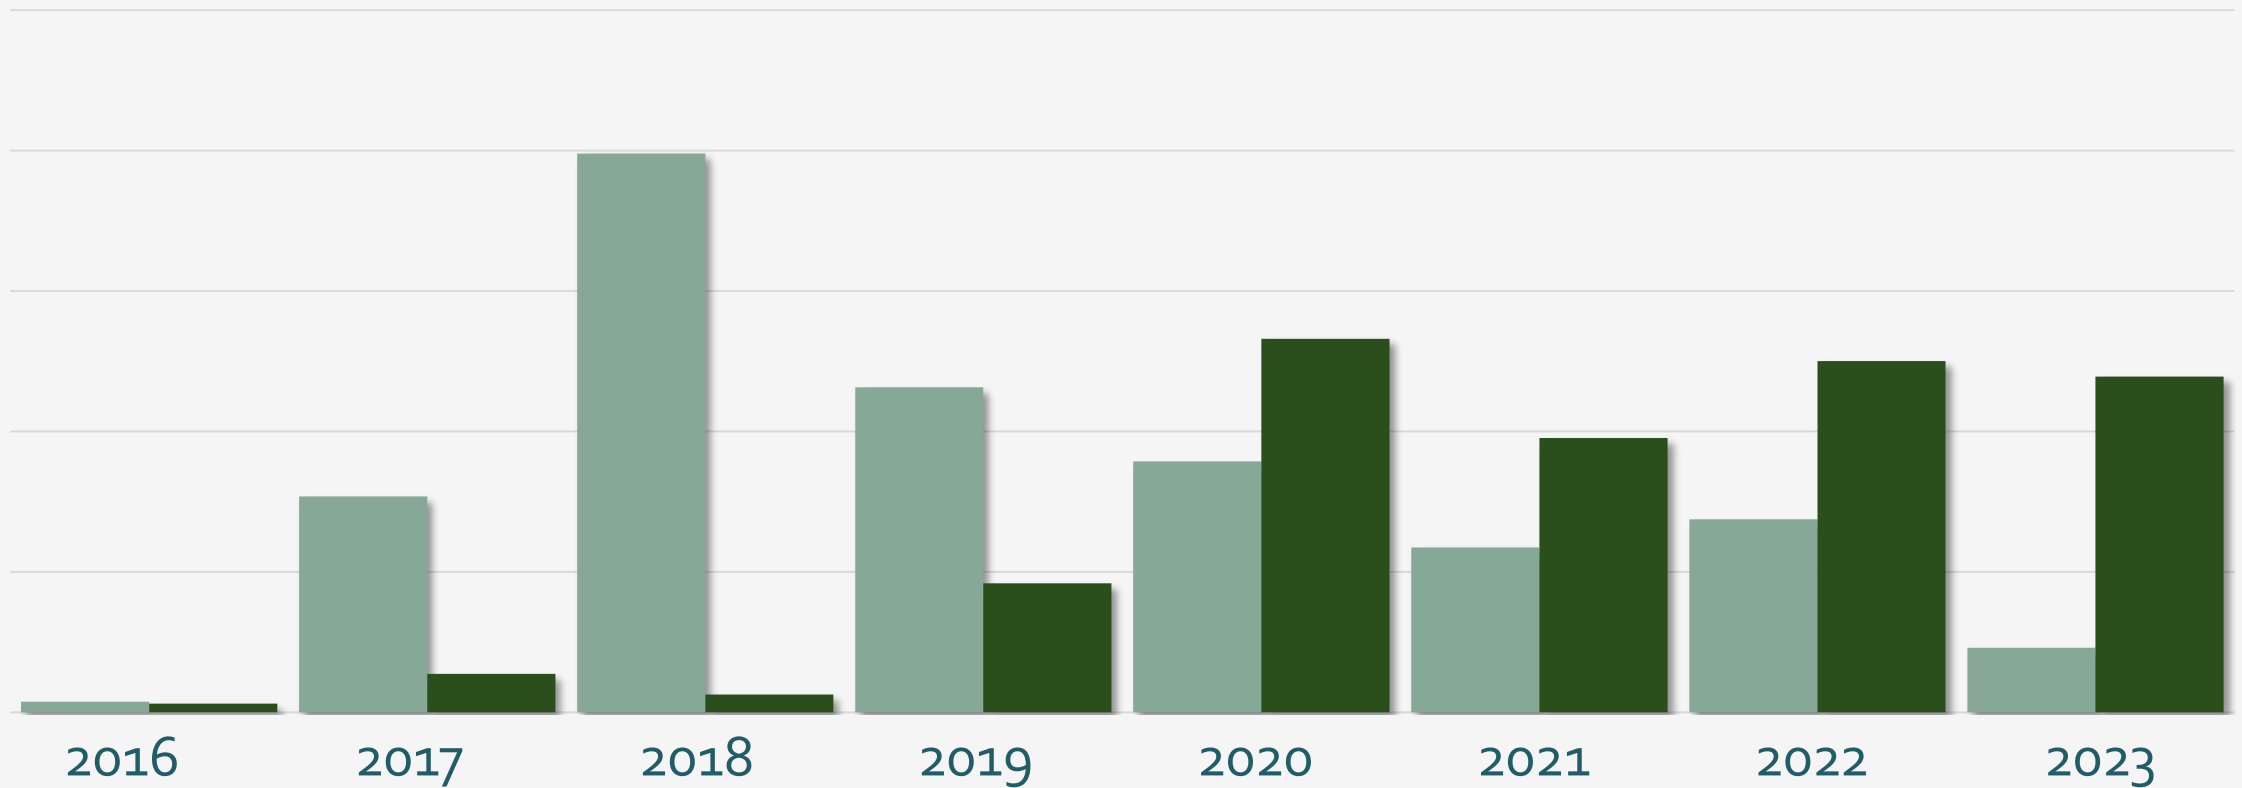

Donations in EUME have been increasing

Thanks to True Parents' grace and our members' devotion, our total giving over the last five years is outstanding.

2,500 Families are regular or occasional donors, among them are 620 second generation. **Let's make the year 2023 the best year ever!**

Ending FFWPU and UPF International Support

From net receiver
to net giver

Some of our Challenges

- Small number of members, little political power
- Membership growth is static
- Most nations weak financially, many no building.
- Relatively low engagement of 2nd Generation
- Loss of morale due to scandals and setbacks
- *Lack of understanding of TM vision of 1/3 restoration*

THE FOUR INNOVATIONS AND EUME ADAPTATIONS

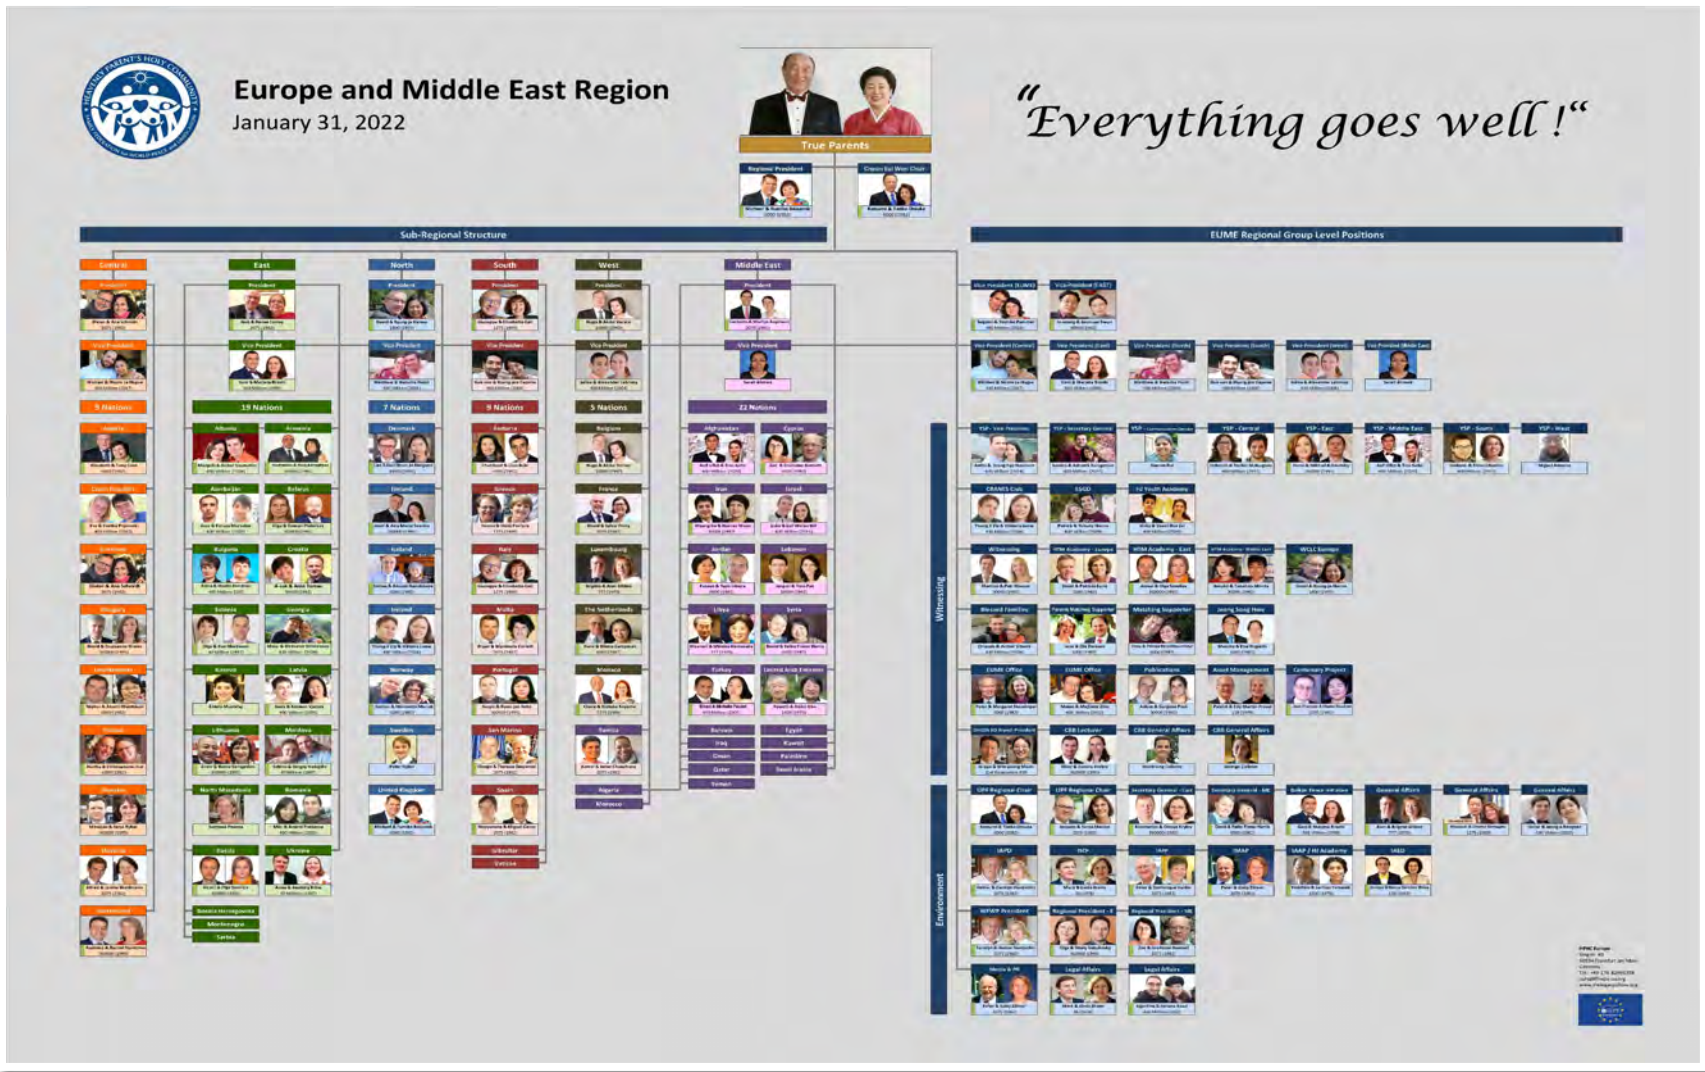

The “Four Focuses” introduced by IHQ

- Organizational
 - Church Growth and Witnessing
 - Worship
 - Leadership
- These are a helpful guideline but need adaptation, development and interpretation to be useful in the EUME context*

EUME Organizational Focus

- Leadership roles are filled by couples.
- FOUR (not 3) organizations: FFWPU, UPF, WFWP, YSP
 - *WFWP is often left out but it is vitally important*
- Decentralized: nations are primary, not subregions
 - *Differences of language, culture, politics are too great*
- Establishment of physical locations (Peace Embassy)
 - *2022: Tirana, Glasgow, Jerusalem, others*

Most positions are held by couples

EUME ~~Church~~ Community Innovations

- We prefer to be a Holy Community not a church
 - *In some nations (especially Muslim) a church is not viable*
- Search for and appointment of younger leaders
 - *We need more flexibility and speed in approving changes*
- We support the Original Temple in Korea financially
 - *Should we create/ rebrand branch temples / chapels on a subregional level?*
- We will reemphasize witnessing and outreach
 - *Increase core members (1%) and peace associates (99%)*
- Each community should play to its strength, not multitask
 - *Interfaith / Service / UPF / WFWP etc.*

EUME Worship Focus

- Make all of our worship services / gatherings open
 - *Be sensitive to local culture (especially in Muslim areas)*
 - *Appeal to a younger audience*
- Develop our hybrid and online capabilities
 - *We are finding it difficult to move away from an all-online approach*
- Upgrade our website, wikipedia and social media
 - *So that the best services and messages are widely available.*
- Continue to hold weekly (Anshiil) services for members
 - *Wednesdays (regional) and other fixed days for subregion and nation*

EUME Leadership Focus

- Most positions held by couples
- Engage young people from an early age
HARP, CARP, Assistant Pastor Roles
- Provide consistent professional education (3rd party)
eg. Mental health, preaching, health & safety, pastors bootcamp
- Provide annual feedback and performance review
Self led, 360 peer review) and managerial review
- Multiply Cheonbo Victors
Cheonbo families "pay it forward." Heroes fund. Finance options

Supporting Members with the Heroes Fund

The Heroes Fund was initiated to help members to fulfil their CheonBo HTM Victor mission by providing funds for their ancestor liberation and blessing, and CheonBo HTM Victor donations.

47 families donated for the Heroes Fund with one outstanding generous donation by **Enrique & Marcia Sanchez Motos** from Spain.

Special **grants** were given to **Silvio & Barbara van Praag, Reiner & Barbara Vincenz, Paul & Christl Werner, Shinkichi & Emiko Suzuki**, and 21 families received some smaller amounts.

10 families **borrowed** money for their ancestors liberation and blessing to be paid back within three years.

THE 3 AREAS OF FOCUS: EUME INTERPRETATION

The Three Areas of Focus

- Witnessing and Outreach
 - We need more members at all levels
- Preparing the Environment
 - We need to be relevant and difference-makers
- Raising young leaders
 - We must offer flexibility and freedom to be attractive

Witnessing and Outreach

- We need more members and supporters
 - The population of EUME will be 1.5 bn (2020)
 - 1/3 of that number is 500 million
 - Subregions propose 99% Peace Associates and 1% core.
 - I propose 99.99% Peace Associates and 0.01% core
 - That is still 50,000 core members, about 20 fold increase.
- These numbers cannot be reached by direct outreach

~~Environment~~ = Social Impact & Relevance

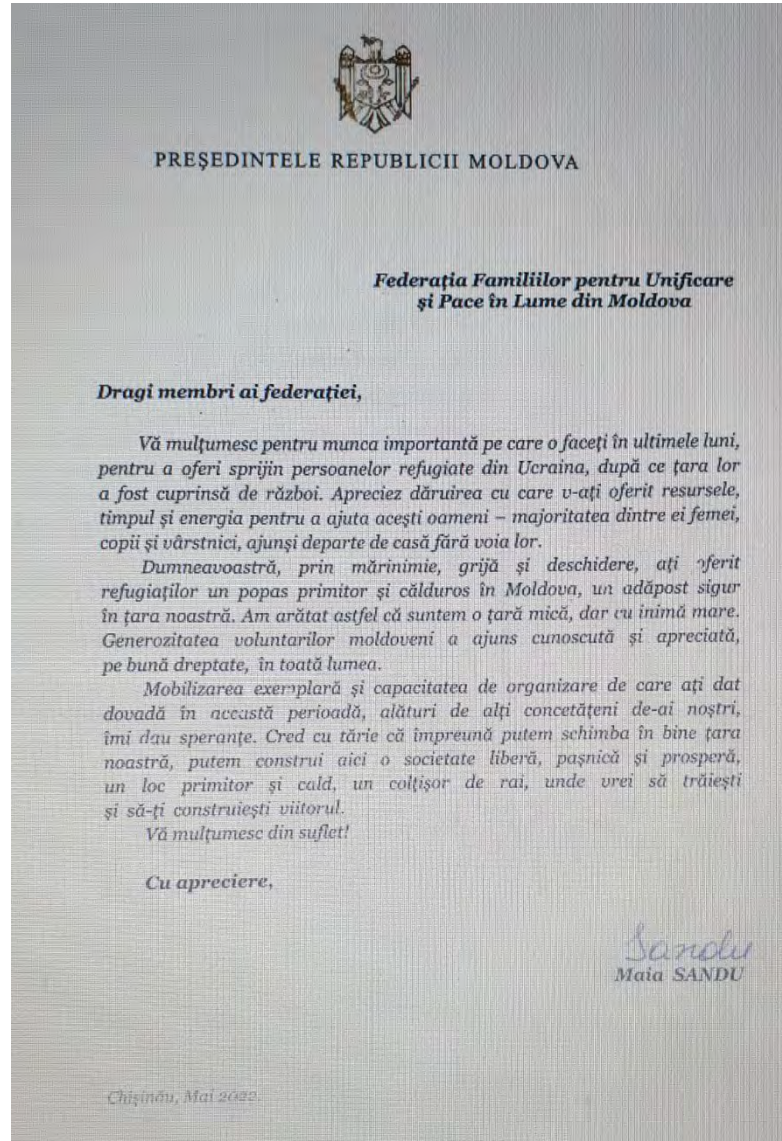

- Our programs need to demonstrate real social impact
 - Example: FFWPU Moldova has EU funding
 - Praised by the President, Catholic Charities, WCC, CNN
- This means using the full range of organizations
 - UPF, YSP & WFWP, while respecting their independence
 - They cannot be just a gateway to FFWPU membership
- Pay more attention to THE ENVIRONMENT (Climate)
 - Very popular with active young people. And TM herself.

Case Study: The Peace Embassy in Moldova

Moldova FFWPU received a total of 3 tones of humanitarian aid from the Swiss NGO, *Happy Links*. Dozens of families have come each day to collect needed supplies. Every day around ten volunteers with FFWPU and YSP Moldova come to help distribute the products. National leader Sabina Nadejdin and her family are also hosting a Ukrainian family with three young children in their home.

Moldovan President Praises the Work of FFWPU

President Maia Sandu

PRESIDENT OF THE REPUBLIC OF MOLDOVA

To Family Federation for World Peace and Unification

Dear members of the federation,

Thank you for the important work you have been doing in recent months to provide support to refugees from Ukraine after leaving their war-torn country. I appreciate the dedication with which you have given your resources, time and energy to help these people—most of whom are women, children and the elderly—who have moved away from home against their will.

Through generosity, care and openness, you have offered refugees a welcoming and warm stop in Moldova, a safe shelter in our country. We thus have shown that we are a small country, but one with a big heart. The generosity of Moldovan volunteers has become well known and appreciated all over the world.

The exemplary mobilization and the organizational capacity that you showed during this period, together with other fellow citizens of ours, give me hope. I strongly believe that together we can change our country for the better; we can build a free, peaceful and prosperous society here, a warm and welcoming place, a corner of heaven, where you want to live and build your future.

Thank you from the bottom of my heart!

With appreciation, Maia Sandu

THREE 20 MONTH STAGES & THE EUME FOCUS

The Three 20 month stages

- First 20 months until December 2023
 - We are in the midst of a movement wide crisis (Japan)
 - We are in a regional and worldwide peace crisis (Ukraine)
- Second 20 months until August 2025
 - The crises are over and we work without restrictions
 - 6-12 selected nations lead the way in accomplishment
- Third 20 months until April 2027
 - We complete continental and national restoration plans

EUME Focus for the First 20 Months

- Revive the faith and courage of members
- Develop our Online, Social and Print Media Resources
- Win the Wikipedia (and Google) Battle
- Fight for Religious Freedom and Human Rights
- Developing and Strengthening Our Alliances

Revive our Faith and Courage

- More devotional conditions to unite with True Mother
- Share good testimonies with True Mother and ourselves
- Appoint new leaders wherever possible
- Aim to support and give to other nations & regions
- Be active in serving other organizations & society

Developing Online Resources

- New public websites: ffwpu.eu / familyfed.eu
- Created a new Press Booklet
- Hire people to develop each social media outlet
- Encourage local communities to invest in social media
- We prepare materials in other major languages, French, Portuguese, Spanish, Arabic and Russian.

Win The Wikipedia Battle

- Wikipedia is by far the most popular reference site
- Most of the information there is negative and false
- We have created a team of 9 people and need more
- This requires discipline, skill, and money
- Our goal is to submerge negativity, not remove

Religious Freedom and Human Rights

- The EUME team has the most experienced allies
- EUME has a track record of victory in six major nations
- We can work with the UN in Geneva and Vienna
- Our focus needs to be broad, not just self-serving
- Our 400 Japanese members may be able to help Japan.

Developing and Strengthening Alliances

- Our movement is very small and we have to partner
- Contacts with megachurch foundations overseas
- Working with immigrant communities and visiting VIPs
- Developing the idea of the Heavenly Community
