We are happy to announce the upcoming 2-day Divine Principle Workshop which will be taking place in our beloved Livingstone House in London from the 1st to the 3rd of December.

This year has gone too fast with so many activities taking place and so many exciting things have happened. To end the year on a good note, our Outreach Coordinator, Russell G., is organising a 2-day workshop for all who would like to learn more or refresh their memory on the many valuable lessons we can take from the Divine Principle. With amazing speakers and lecturers, this will be an opportunity you won't want to miss as it is the last opportunity to join in the spirit of our witnessing efforts and condition. You can bring a guest or attend yourself - it is open for all generations, young and old! Refresh your spirit and make a new determination for 2024 by listening to uplifting presentations on the core teachings of Divine Principle together!
