30,000 people helped

IRFF UK has positively impacted the lives of 30,000 people through its various support initiatives.

40 projects completed

Destiny Junior School has provided invaluable educational opportunities for numerous children who otherwise would not have had access to them.

Projects that become self-sustainable

Thanks to our efforts in removing jiggers, thousands of people can now walk freely without pain. We are proud to have made a positive impact on the lives of so many and will continue our mission to alleviate suffering around the world.

What our donors are saying

Your efforts in the areas of education, health and sustainability are vital in certain countries and truly appreciated. My family will continue to sponsor a child at Destiny Junior School in Uganda, and will endeavour to support other causes that IRFF UK informs us about.

Marshall de Souza
Destiny School Sponsor

The Women's Federation for World Peace, South London, has been supporting Destiny Junior School through IRFF-UK for more than 12 years. Our ladies sincerely had been helping to provide a better place for the children of Destiny Junior School in Uganda. We believe Education and health are the most important things for the life of the child.

Dolores Read
Destiny School Sponsor

I have been happy to support projects that IRFF is running in Uganda. In particular, I have donated funds towards the construction of a perimeter wall and a library at Destiny School. I really appreciate the good work IRFF has been doing over the years to help people/children in Africa.
