★★★★★ **A book to be treasured for years to come...**

Have you ever wondered what a Love Letter from God would look like? My kids and I have often talked about what God might say to us if we could hear him speak. They ask why they can't hear him, and I tell him that he speaks to us in different ways. I have tried explaining to them that just because we can't hear his voice, that he still speaks to us we just have to listen with our hearts and minds instead of our ears.

The author, P. K. Hallinan has written a beautiful rhyming story about a letter that God might write to us. Although geared toward younger children, anyone would love to read this book (I know I did). It reminds us that God is with us every day, surrounding us with his love. Right from the first page I was hooked.

"I love you, My child!
What more can I say?
To Me you are perfect in every way!"

Not only is this a love letter from God, it also says so many things I often want tell my children.

Do you sometimes wonder why products have so many 5 star reviews? I mean, do people really "love" the product that much? I like a lot of things, but love them? Well, I LOVE this book. It is colorful and the illustrations are beautiful. Beautiful message written in a sweet rhyming way. Quality book made from a thin type of cardboard as the pages have cutouts of different shapes so you can see through to the next page (e.g. some of the hearts on the cover are actually cutouts.) Made me tear up when I first read it. Even my dad cried every time he read it when my kids were babies. "I love you my child what more can I say to me you are perfect in every way." I think I have most of the story memorized and so does my daughter. I won't quote the whole book. Just buy it for your kids or someone else's. Amazing book.

I bought copies for all the littles in my life, based on previous titles I own from this author. "A Love Letter From God" does not disappoint. In this book, the author tells some of the many ways we can relate to God through nature, and how we can know He cares for us. His word choices are rich and expressive, yet simple enough for beginning readers. The illustrations are bright, colorful, and packed with interesting detail. Even the lettering choices are fun! The sturdy pages include cutouts that go perfectly with the text and images, tying one page to the next by highlighting a detail from adjacent pages. The book is very well made, and sure to be a favorite that is passed along with love, or treasured for years.

★★★★★ **This is a beautiful story about God's love full of theologically rich gospel ...**

I adore this book! I give it to all my friends as a baby gift. My son and I read it together every night, he loves the vibrant pictures of children and animals and the cutouts in each page that he can poke his fingers through. Definitely written by someone who knows a child's heart! The pages are thick cardboard so they are sturdy enough for a baby. This is a beautiful story about God's love full of theologically rich gospel truths presented at a child's level- which is a great beginning for my toddler and also a great reminder to me! I enjoy this book just as much as my son, those are truths I cannot hear enough! This is a treasure that I cherish. Thank you PK Hallinan for this beautiful story!

My daughter recieved this book as a baby, she is three now and it's still her favorite. The illustrations are beautiful, the cutouts make it very interesting and different and the words are biblically true and very encouraging. I love reading it to her knowing it's helping her to understand who she is in Christ and how much he loves her.
