**Join us for an international workshop on Matching and Blessing, February 20-23, 2025, in Germany. Open to Blessed and Jacob children aged 18+. Register now!**

We are happy to invite you to an international in-person workshop on the topic of internal and practical guidance for the Matching and Blessing. It will take place from 20th to 23rd February 2025 in Neumuehle Seminarhaus, Bad Camberg, Germany. The programme is designed for Blessed children and Jacob children aged 18 and older.

The Blessing is not just a ceremony to get through; it is a lifestyle which we need to grow into. Preparation matters; how can we create more space for God to guide us through the matching, into blessed life? How can we make effort to make good things happen in this precious area of our lives? Essentially, we want to offer a focused programme that can help you to better understand where you are now and how you can move forwards. Alongside this, we want to offer the opportunity to receive personal input in a supportive environment.

There are many ways of life, but not all ways are God's ways. There is a *Unificationist* path. But we may not be walking it. There is a path and purpose we are each uniquely called to. 'The Way' to love God is beyond us, and beyond praise. We want to confront, guide and support each other to find our way back, and way forward, to a confident and authentic *Unificationist* path. To 'love God beyond praise' is an act of recovery and rediscovery; let's walk together towards more wisdom, strength and joy.

We believe the workshop has the potential to provide valuable support for all those who are seriously thinking about progressing on their Matching and Blessing journey, whether preparing, in the process, or already matched.

The ESGD team is continuing work in the Matching and Blessing area based on the foundation of the European Second Generation Blessing Department. It was founded in 1998 by elder European Blessed Children, has worked closely with the International Blessing Department, and successfully restarted the European BFD in 2007. We have worked with BCs throughout the last 20+ years and want to carry on offering support for brothers and sisters through the different stages of their matching and Blessing journeys.

We are looking forward to this workshop and hope to experience something precious together.

Sincerely

The ESGD team
