BFD EUME Matching and Blessing Preparation Workshop Level 2 Part 1 - In Glanów, Poland

LOVE - LIFE - LINEAGE

for 2nd+ Generation and their Parents

October 11th-13th 2024

Dear Blessed Families!

We want to warmly invite you to the upcoming **Level 2 EUME Matching and Blessing Preparation Workshop**.

A Level 2 Matching and Blessing Preparation Workshop is a requirement for all who wish to attend the Cosmic Blessing. It is designed to support all candidates and parents who are preparing for the matching, and also those already matched who are getting ready to go to the Blessing.

The Certificate of Completion of a Level 2 workshop should not be older than 2 years when receiving the Cosmic Blessing. (Details on page 3 and 4).

NOTE: The Level 2 workshop consists of two parts:

Part 1 – Workshop on the Europe and Middle East (EUME) level (11th-13th October 24)

Part 2 – Workshop on the national or sub-regional level, or follow-up talk with national BFD

For more details, see page 3 – *“Education overview on the Matching and Blessing”*.

NEW: Attending the workshop is an international requirement to register on the international matching website blessing4U.org

We will cover the following topics:

- True Parents’ Lineage and the Meaning of the Blessing
- Parent-Child Relationship
- Preparing myself for the Matching
- Testimonies from Parents and Candidates and more...

Good communication between parents and the candidate is central in the matching process, therefore to attend this workshop together is the best preparation for matching. If both parents and children receive this content together there is a better foundation for discussion and sharing throughout the matching process.

For some parts of this workshop, we will divide into two groups - with some presentations aimed at guidance for parents, while others will focus on guidance for candidates.

EUME Matching and Blessing Preparation WS – Key information

Overview of the Education Requirements for Matching and Blessing:

Please note that each candidate has to complete the necessary education in order to be able to attend the Blessing. Ideally this education should be completed before starting with the Matching Process. It is important to prepare well before beginning the search for a possible partner and this education will help families to approach the matching in a better way.

Level 1 - Matching Preparation

Target: 14-17 years old 2nd plus Gen

Where: local and community level

When: once a year, depending on the nation

Requirement for the Blessing: No

Description: Focus of education is Pure Lifestyle, how to prepare for the Matching and Blessing, identity of a 2nd plus Gen, Parent-Child relationship and providing guidance for parents in the preparation for the Matching.

Level 2 Part 1 (EUME level) + Part 2 (national / sub-regional level) - Matching and Blessing Preparation

Overview Part 1

Target: 18 years and older, 2nd plus Gen and Parents

Where: Education on EUME level

When: twice a year (winter and autumn)

Requirement for the Blessing: Yes

Description: This is the main workshop in preparation for the Matching and Blessing. The theme of the Workshop is *Love, Life, Lineage*. It should offer a deeper understanding about the Blessing and help candidates to prepare for the Matching. The workshop is divided into two parts, one part is on the international Europe and Middle East (EUME) level and the second part is on the national or sub-regional level – both parts need to be attended in order to complete the workshop and receive a Certificate of Attendance.

Overview Part 2

Target: 18 years and older, 2nd plus Gen and parents

Where: National or sub-regional level

When: twice a year, shortly after Part 1

Description: The second part of the Level 2 Workshop will be held on the sub-regional level. Since there are fewer participants, it gives the opportunity of sharing in groups and clarifying content from the main workshop. It may consist of a personal talk with the national BFD leader or appointed BFD staff.

Validation of the Level 2 Workshop:

The Level 2 workshop is valid for 2 years. It is a requirement for the international matching website www.blessing4u.org.

Applying for a Level 2 extension

It is possible to receive a one time “2 years extension” for the Level 2 workshop. In order to receive the extension you need to watch some lectures of Part 1 online and participate in the subregional Part 2 workshop. Your original Level 2 workshop should not be older than 2 years. If you want to receive an extension, please contact our staff for more details.

Overview

Target: Matched Couples who are attending the Blessing

Where: online on EUME level

When: shortly before a Cosmic Blessing
