Dear Brothers and Sisters,

We are happy to announce the next European Summer HARP Workshop, taking place in Glanow, Poland!

[More Information And Applications Here!](https://glanowharp.com)

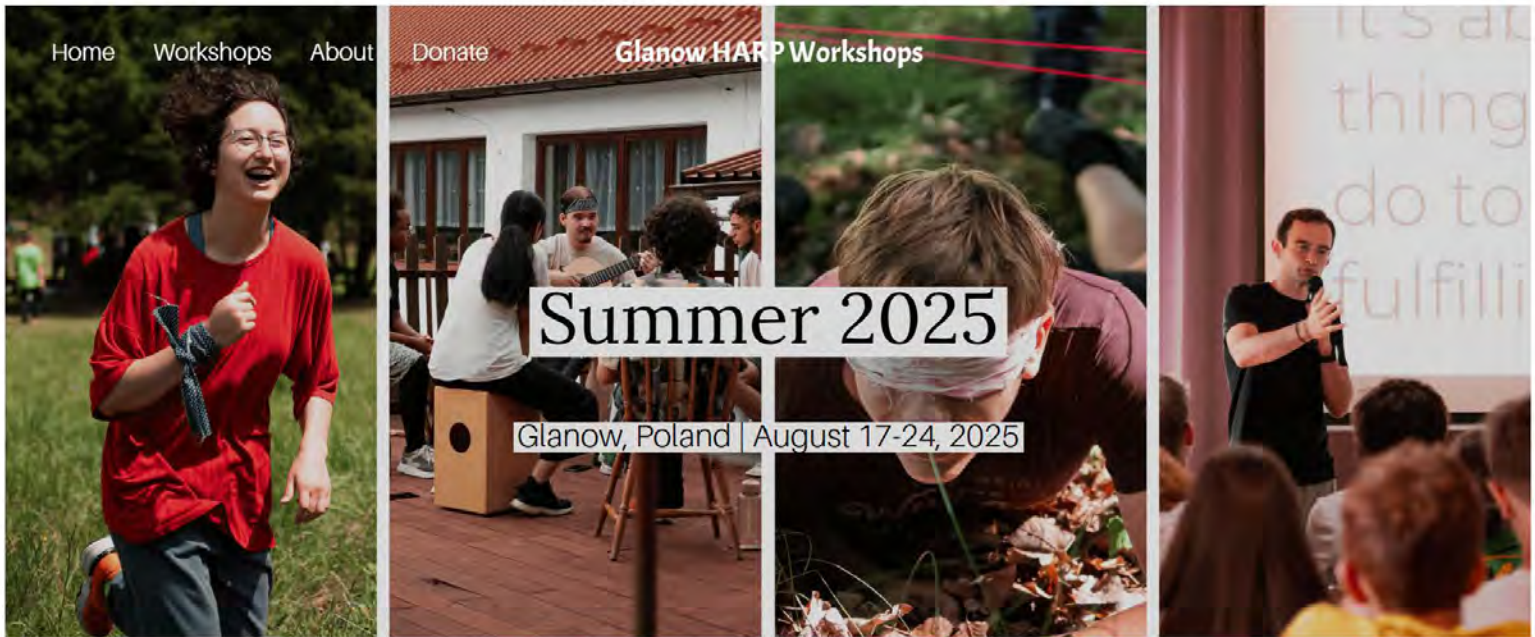

### **Freedom: The Journey Begins**

2025 marks another significant milestone in our movement's history with the opening of the Cheon Won Gung Palace and Cheon Il Sanctum. True Mother refers to this event as the end of the providence of restoration and the substantial beginning of the Cheon Il Guk era, when we can directly attend Heavenly Parent. True Mother also calls on us to help her expand the environment in which we attend Heavenly Parent. Hence this year we choose to focus our educational efforts on supporting our participants in gaining the awareness and necessary skills to help them thrive in their personal lives, and become difference makers in their surroundings.

Inspired by the advent of this new era, the great story of Exodus and the song "Pharaoh (Let My People Go)" by Brandon Lake, we have chosen "Freedom: The Journey Begins" as this summer's motto. Drawing a parallel between current events and the Israelites journey out of Egypt, we believe that now is the time for us to walk out of our own 'Egypt' - to let go of the fears, habits, and mindsets that hold us back. This new era calls for a new identity: not one shaped by limitation or insecurity, but by confidence in our divine value and purpose. True freedom begins when we take responsibility for our lives, our faith, and our relationships.

This summer, we invite each participant not just to experience inspiration, but transformation - to step into their God-given identity and become people who carry light, hope, and courage into the world around them.

Freedom is not arbitrarily doing whatever one wishes. The direction of true freedom is pointed towards **happiness**. - *True Father*
