

FFWPU Europe and the Middle East: Day of Fasting and Prayer in Support of True Mother

Michael Balcomb
September 14, 2025

Dear Families,

Greetings from Chung Pyung, where we have just finished our Sunday Service.

We have just received an invitation from our International Headquarters to make *tomorrow, Monday, September 15th*, a day of fasting and prayer in support of True Mother.

Although this direction is primarily for those participating in the special workshop here in Korea, I know many of you have been asking how you might also offer support.

Therefore, we would like to invite any individual or family who wishes to join this condition of fasting to do so. You may offer a one-day or 24-hour fast, or simply skip one or more meals according to your situation. If you cannot join tomorrow, you may also choose another day during this workshop period, which concludes on September 22nd.

If you would like to participate, please let us know by using this link:

With gratitude,

Michael and Fumiko Balcomb

A Day of Fasting and Prayer in Support of True Mother
