

FFWPU-USA: National Prayer Condition until True Parents' Birthday

Richard Buessing
January 1, 2018

Dear Pastors, Community Leaders, and Blessed Families,

Happy New Year 2018 for Everyone!

2017 has been a great year in God's providence and True Parents' work. We've seen breakthrough after breakthrough, with Tribal Messiahship, with interfaith work, and with youth programs. We are very grateful to Heavenly Parent and True Parents for such wonderful accomplishments. As we embark on this New Year, let us start with new determination to accomplish even more in 2018.

As you are probably aware, our national prayer condition ends with 2017, and we'd like to invite you to continue with another national prayer condition from January 1 to February 20, just before True Parents' Birthday on February 21.

During this time, True Mother will take part in UPF's African Summit in Senegal in January, and preparations are in full swing in Korea and throughout the world to celebrate True Parents' Birthday. Let us again join in one heart to offer this prayer condition to open 2018 and prepare for True Parents' Birthday on February 21, and the 5th Anniversary of Foundation Day on February 28.

We will also continue the weekly national prayer calls that are very successful in bringing us closer together throughout the nation. These calls take place every Wednesday at 9 p.m. EST, with the next call on Wednesday, January 3, 2018. Please see the attached summary of the national prayer condition with suggested prayer points.

Let us open 2018 with a strong prayer condition to support the providence in America and the world, to realize our national goals for Vision 2020, and to bring joy to our Heavenly Parent and True Parents.

God Bless you and your families,

Rev. Richard Buessing
President
