

FFWPU-USA's Statement about Hyung Jin Moon's Sanctuary Church

Ki Hoon Kim and Richard Buessing

March 2, 2018

Dear Brothers and Sisters,

We just concluded a victorious visit to Korea with our True Parents, celebrating Heavenly Parent's Day, True Parents' Birthday and the 5th Anniversary of Foundation Day. True Mother and our Korean brothers and sisters hosted members from around the world, and created a heartwarming, family atmosphere. We experienced the love of God and True Parents every moment we were there.

Despite the festivities in Korea, we are aware of the media coverage of the event organized by the Sanctuary Church in PA. Though we issued a press release on February 22, several days prior to the event, stating that the Unification Church and FFWPU are not affiliated with the Sanctuary Church, some media outlets have overlooked this and have attributed the Sanctuary activities to the Unification Church. We want to assure you that we are seeking appropriate corrections from those outlets.

FFWPU does not approve of the practices of the Sanctuary Church. We are alarmed that Sanctuary Church misrepresents the teachings of True Parents and makes weapons a part of the Marriage Blessing, which was initiated by True Parents to bring humanity back to God through the practice of True Love.

This is a new time in the world providence. True Father in Heaven and True Mother on Earth are leading us to substantial victory. True Mother is standing as God's Only Begotten Daughter, as the substantial Holy Spirit. This is the time to proclaim the True Parents and work more than ever to realize their vision and God's cherished dream of a Peaceful, Ideal World.

Sincerely,

Dr. Ki Hoon Kim
