On October 3, the National Ministry Team assembled in the Sutton Place Room at the New Yorker Hotel for their monthly meeting as filial children to True Parents.

Dr. Ki Hoon Kim, Regional Chairman of Family Federation North America talked about the importance of being True Parents' filial children. "True Mother is the mother of humankind, and we are her children," he said. "True Mother is committed to show her children the Kingdom of Heaven on Earth. Northeast Subregional Director Rev. Demian Dunkley started his message with a special thanks to Milhan Stephens, Secretary General of the Northeast Subregion, along with a couple new interns at

Headquarters for coming together as a team to serve True Mother at the [Peace Starts with Me Rally](#) on November 12. "We must make a complete offering, internally and externally, to welcome our True Mother," he said.
