

HJ Peace Academy Scholarship Spring 2019 - College Education in Korea

Richard Buessing
December 3, 2018

Are you interested in pursuing a college education in Korea and study the language and culture of our True Parents in their homeland? The HJ Peace Academy scholarship offers just that. The HJ World Peace Foundation (formerly the Wonmo Pyeongae Foundation) has started its recruiting for the Pre-HJ Peace Academy Scholarship program at Sun Moon University in Korea for the Spring 2019 semester.

All families and college-aged youth are encouraged to consider True Mother's generous offer of a full tuition scholarship for a full five years of study in Korea. This is one of True Mother's special initiatives to support Unificationist youth in their educational course.

Please read the attached memo and information about the scholarship program which contain the terms and conditions of the scholarship. Families are responsible for travel to and from Korea and for the costs of dormitory and meals. Please read the memo carefully, for the HJ World Peace Foundation has changed some of its requirements.

Successful candidates can receive additional modest scholarship from FFWPU-USA to support part of these dormitory and meals costs. Once you receive your acceptance letter from Sun Moon University, please email Tal Zorer at execoffice@unification.org in order to process this supplemental scholarship.

All applications to the program need to be reviewed by the Regional Headquarters before being submitted

to Sun Moon University. Please send original documents and completed application by mail to Rev. Inguk Seo at:

Inguk Seo
FFWPU-USA
481 8th Ave. Box A-12
New York, NY 10001

All documents need to arrive at the above address by Monday, December 31, 2018.

13. FAQs

Is it possible to start off by studying Korean for a year, and then decide to go for the 4–year program, or is it a 5 year commitment from the start?

⇒ Students are required to make a commitment for 5 years, however there is no guarantee of admission to SMU after completion of the Korean language course. To enter SMU, a student must achieve TOPIK (Test Of Proficiency In Korean) level 3 and fulfill all other entrance requirements. If a scholarship student has failed to gain the admission to the SMU undergraduate course before finishing the Korean language course, the funding of scholarship will be suspended.

What about credits I earn in Korea? Can they be transferred to US colleges? How do I find out?

⇒ Transfer of accepted credits will vary by universities in the US. However, upon graduation from Sun Moon University, application for graduate school in the US is possible. Please contact your schools in the US directly, for further information.

How many months a year do I need to be in Korea? Is there an expectation that I remain in Korea during vacation time?

⇒ During your study period at Korean Language Institute, you are obligated to stay within the country even during vacations except on special occasions. After you enter the undergraduate course, you are free to leave Korea during vacations. In general, summer vacation is from late June to late August and winter vacation is from mid December to late February.

I understand that there is a scholarship for tuition. But are there other, out of pocket fees or expenses that I should know about?

⇒ Yes, all expenses not explicitly covered in the scholarship agreement are the responsibility of the individual student. Please see section “8” for details.

What happens to the international students when school is not in session? Where do they sleep? Eat?

⇒ For those who want to stay on campus during vacations are permitted to stay in the dormitory as long as they apply for it, in advance (during session). The dormitory cafeteria will be in operation during vacation. Meal plans are not included in the dorm fee, but can be purchased separately.

What is the situation with medical coverage and medical insurance? Can I use the school's health center? What happens if I have a major incident while abroad?

⇒ International students' insurance will only cover accidents that occurred in Korea. Please refer to the below chart for more details.

○ Cases not covered under this insurance

- * Intentional accident
- * Treatment for cosmetic purposes
- * Treatment related to pregnancy & childbirth
- * Normal fatigue & tiredness
- * Certain types of rectum or proctologic disorder
- * Certain types of dental & herbal remedy
- * Expenses billed by a medical institute located outside Korea
- * Pre-existing conditions
- * **Dental work : We highly advise all dental care to be done prior to arrival in Korea.**

What if two or more members of the same family wish to apply?

⇒ If they are selected as grantees, they may receive the same benefits of the scholarship fund.

Can students who graduated from online/home schooling at the high school level also apply to Sun Moon University?

⇒ Yes, starting from the 1st semester of 2016, Sun Moon University will be accepting the mentioned students. (All applicants must be accepted by the SMU administrative office).

【Important】

If a student has stayed in Korea for more than 1 month during their school year, students who have attended an online high school may not enter the facility of Sunmoon University.

. Please confirm this in advance, before applying.

While the Scholarship system consists of 1+4 (1 year course at KLI + 4 year undergraduate course), can students who already graduated 3 years of college level courses, transfer to SMU as a junior after finishing KLI?

⇒ No, the system does not allow transferring credits.

While the Scholarship system consists of 1+4 (1 year course at KLI + 4 year under-graduate course), if students satisfy the criterion for foreign student enrollment (level 3 or above on their TOPIK score), can they go on to the under-graduate course without taking the KLI course?

⇒ No, under this program, you will NOT be eligible for the under-graduate course unless you complete the 1 year KLI course.

Under the 1+4 system, if my course (under-graduate) requires 5 years instead of 4, would I still qualify for scholarship throughout the entire period?

⇒ Yes, if the under-graduate course requires 5 years, you will be eligible to receive scholarships throughout the entire period.

If I was not able to graduate my under-graduate course in 4 years due to double-majors, etc., would I still be eligible to receive scholarships after my 4th year?

⇒ No, the scholarship will not cover fees for extended periods of study due to the students' personal reasons.

If I fail to keep the required GPA, will my scholarship be revoked?

⇒ Your scholarship will be suspended during the following semester. However, you may redeem your scholarship from the next semester if you successfully bring your GPA to the required minimum. Though your scholarship may have been on suspension, as long as your identification as a scholarship student is intact, you must continue to abide by its standards. Please note that you have two chances to bring up your GPA. If you fail to do so, your scholarship will be revoked.

How many credits do foreign under-graduate Scholarship students require?

⇒ For foreign undergraduate students, 70% of their scholarship is provided from the foundation (HJ WPF) and the rest from SMU. So, the students should follow regulations provided by both the Foundation and SMU.

Credits differ with the year of entry into SMU. In 2014, students were required to earn at least 12 credits during their freshmen year, 18 credits during both their sophomore and junior years, and 15 credits during their senior year.

However, starting from 2016, students who have entered since 2015 are required to earn 12 credits or more their freshman year, 15 credits their sophomore and junior years respectively, and 12 credits their senior year. This standard is required for 'Foreign Student Scholarships' at SMU and is also upheld by the Foundation.

Do GPA standards also differ depending on the year I enter?

⇒ Yes, they do. HJ WPF and SMU also have different GPA standards. According to the Foundation, students are required to earn a 2.3 GPA or above regardless of the year they entered. However, SMU regulations require that students earn a 2.3 GPA or above during their freshman year, and a 2.5 GPA or above during the remainder of their under-graduate course. Therefore, students who entered SMU in 2015 and beyond, may only receive 70% of their scholarship money, if their GPA is higher than 2.3 but lower than 2.5.

When students participate in an overseas language program like the 3+1 system, the maximum credits they can earn is 15. If students, who entered in 2014, participate in the program, it is impossible to earn the required 18 credits. What should they do?

⇒ In this case, as long as it is approved by SMU, the Foundation will also accept 15 credits as the standard for the scholarship.

If we renounce our status as a scholarship student, do we need to pay back our full tuition?

⇒ According to the pledge signed by all students upon receiving the scholarship, it states that, "If I choose to discontinue the scholarship program without any proper reason, I shall return the full amount of the scholarship money." If students are unable to continue their scholarship program, they are recommended to fill out a "HJ Peace Academy Cadet Student Scholarship Renouncement" form and submit it to the Foundation. The Foundation will notify them of the result.

I heard there is a 'Wonmo Zone' in the dormitory. Could you give me more information about it, and what I need to do to apply for dormitory?

⇒ The 'Wonmo Zone' refers to the rooms in the dormitory reserved for Scholarship cadets. Simply put, it is intended to help you develop your skills and abilities as a global leader by sharing rooms with students from other countries. Scholarship cadets are eligible to occupy the 'Wonmo Zone' during their under-graduate course. The process is as follows :

[The Office of the Chaplain assigns roommates] → [The Office of International Affairs submits the list to the Dormitory] → [The Dormitory front office registers the list into its database] → [The Dormitory front office announces its results]

Note, aside from the process shown above, students must also apply individually with the dormitory through its online website.

I heard class attendance during KLI will be evaluated. What happens if I fall short?

⇒ Evaluation of attendance is done by semester. These are the Spring+Summer and Autumn+Winter semesters, while the Spring+Summer semester consists of a total of 440 hours. Therefore, if students miss more than 44 hours of classes, they would be subjected to evaluation.

Since the foundation only covers 70% of the undergraduate scholarship for foreign students and Sunmoon University covers the other 30%, students with Korean dual nationality may not be eligible to receive 30% of the scholarship. Is there any way to receive full scholarship?

⇒ Students who have Korean dual nationality may not receive the 30% portion of the scholarship offered by Sunmoon University in accordance with the regulation of the foreign student scholarship.

From 2017, those students may be eligible to receive full scholarship from the foundation, if one of their parents are employed by FFWPU. Please submit an evidential document registered officially by the respective regional headquarters.
