At the bottom, it gives the dates, a website URL, a QR code, and the organization's name.

Happy Holidays to all.

As you may know, True Parents' Birthday is coming up on February 10, 2019. And we would like once again to offer our families and members the opportunity to join the celebration in Korea.

This is also an opportunity for everyone who joins this special celebration, to attend the Great Works workshop and go on a special pilgrimage. The pilgrimage includes the Hyojeong Cheonwon Complex and SunHak History Institute and Museum, and sightseeing in Seoul, including the Cheong Pa Dong Church.

The first such pilgrimage was in November 2017, where there were over 40 Unificationists visiting Korea to attend the special rally and going on a similar pilgrimage. They had an amazing experience. Based on that success, we've extended this opportunity twice a year for the major celebrations in Korea.

We hope that more people can join and experience firsthand the development in the Cheongpyeong area, and the special atmosphere True Mother is creating during these celebrations.
