

LEVEL 3: START SMART

Growing as a Couple

Start Smart

The Start Smart program is more than just marriage education. It's an interactive experience designed for engaged couples that are preparing to receive the Marriage Blessing and start married life. The content is developed by Unificationist counselors and marriage educators, John Williams and Debby Gullery.

The program includes presentations, discussions, and exercises on:

*Love Languages | Vision for a Strong & Loving Marriage | Expectations
Handling Differences | Communicating Safely | Generalizations
The Marriage Bed | Handling Different Faith Styles*
