Tip #1: Adjust the display options (hidden fields, filter, grouped by, sort, column width and row height) to customize your view, or the magnifying glass to quickly find who you're looking for!

Tip #2: Click on in the bottom right for a better viewing experience.

Tip #3: All of our interviewers are trained and certified to conduct the interview. However, if there is no one that you know or feel comfortable with, you may want to consider asking someone you would feel most comfortable with to take the training.
