

# Issue on the 8 textbooks

By Winny Cayme

1. Are the *Selected Speeches* A BOOK? NO! So what selected speeches TF are talking about? Anyone, who is confident enough, kindly post THEM here, please..So we can check out the 3 great holy scriptures if THOSE are not included.
2. Is the *Family Pledge* A BOOK? NO! But it occupies the 2nd page of every of the 3 holy scriptures.
3. Are the *Peace Messages* removed from the 3 Holy Scriptures? NO! They are all compiled in Book 13 of the Cheon Seong Gyeong
4. Are we being TOLD AND INSTRUCTED not to use the Divine Principle anymore because it is not part of the CIG constitution? NO! we are still using it in seminars and to take note of, we are using already the OSDP.
5. Is the *True Family Gateway to Heaven* abolish? NO! Its content are all in Cheon Seong Gyeong where they were extracted from when there was a need to have a booklet to be distributed to people attending TPs rallies in 2009. Read its preface to find out.
6. Is the *Owner of Peace, Owner of Lineage* gone? NO! It is a speech of TF in July 7 2009... and was made into a 2nd booklet (next to TFGH) also to be distributed to VIPs. It is in PyeongHwa Gyeong Book 10 page 1612.
7. World Scripture 2? What exactly are its contents? How it is different from WS1? Answer: Both are compilations of quoted words from different religious belief on several topics. WS1 are more of interfaith while WS2 has more of TFs quotes and guidances on the same topics and take a subjective view with regard to quotes from different faiths. WS1 is under IIRF project in 1991 and WS2 under UPF project in 2007 which are both headed by Dr Andrew Wilson.

\*If we are serious abt the 8 textbooks.. did we really take them with us? did we really care to study their contents with all our hearts? Because IF WE

DID READ AND STUDY them surely we will never believe in those accusations circulating around against TM

\*Family pledge is not even a book so literally we dont have 8 textbooks.

\*Cheon Seong Gyeong has not changed it was just reedited to remove redundant quoted words of TF and insert the most precious words TF had spoken from the beginning of CIG era in 2001. By the way the OLD CSG are speeches until 2000 only.

How immature are we to be deceived by those who have self vested motives to destroy TM using THIS issue.

Please use our common sense and listen to our conscience. They are actually answering our confused environment BUT our evil minds want to keep those falsehood to justify our fallen natures, selfish lifestyle and hiding our own shortcomings in our life of faith .....
