

IFFA-Kor Vision Mission Goal

By Bishop Winny

Already Approved and adopted by the IFFAKor National Organization

IFFA-Kor as one of the multicultural communities under the supervision of FFPWU Korea and guidance of our True Parents has to project a vision that is connected with VMG of Korean HQ.

Vision statement: The expansion of True Parents' heavenly domain through the International Blessing Movement and create a strong foundation for the establishment of the Substantial Cheon Il Guk thru fulfilling our ultimate mission as Heavenly Tribal Messiahs

Defined Goals:

1. **To build healthy families** that manifest True Parents' ideals of the blessing and proud blessed Unificationists

Families that embody (Hyo Jeong) filial heart towards heaven

Families that attend Heavenly Parent & True Parents in words thoughts and lifestyle

Families that take ownership for the heavenly providence

Families that raise children of filial piety towards Heaven

Families that produce children of excellence in their chosen field of endeavor

2. **To build peaceful communities** where the breeze of love harmony understanding and unity centered on God can be felt by every member of the society..

Communities that attend God & True Parents as their common goal

Communities where respect and familial relationship are observed

Communities that advocate the 3 principles of

(1) co-existence – sharing of economic foundation

(2) co-prosperity – practice of God-centered governance

(3) co-righteousness – observance of social ethics and norms

Communities that take ownership: stewardship, responsibility, accountability and initiative for the sake of greater whole

To achieve our goals we have to focus on our community's objectives in connection with the Korean Headquarters that are in line with the present providential calling

Kernel Points (objectives)

1. **Establishing God's authority** = by accomplishing our Heavenly Tribal Messiah mission

2. **Expanding God's Family** = thru the blessing movement

3. **Practicing Heavenly Lifestyle** = centered on the culture of heart

4. **Building God's Territory** = by actively supporting the activities for the unification of North & South

5. Producing Future Leadership = give great importance to our 2nd **generations'** internal education as well as external development
We can clearly define our missions & specific responsibilities derived from the stated Vision Goals and Objectives.

Derived Mission Statement & Specific Responsibilities:

- **Witnessing** = (objectives 1 & 2)
 - Witness, testify, promote and bring people to the blessing.
 - Establish home groups or trinities to easily guide, manage and safeguarding our members and younger families
 - Conduct more outreach programs to develop closer relationship with our members and friends
- **Education & Service** = (objective 3)
 - Conduct seminars and hoondok meetings for the education of the members
 - Maintain continuous internal guidance sessions to deepen their faith understanding and elevate their spiritual life
 - Participate in volunteer service activities
- **Networking with** = (objective 4)
 - Other NGOs, different embassies and government organizations as ambassadors of Good Will to promote peace and harmony in the peninsula
 - Other Damunhwa groups nationwide and support the different activities for learning and promoting global cultures and traditions
 - Other religious organizations to promote interfaith and ecumenism
- **Good Parenting** = (objective 5)
 - Prioritize the internal education of our children by sending them to all workshops initiated by True Parents
 - Encourage them to actively participate in church related events and activities that will upgrade their spiritual life
 - Provide them an environment where they can develop and enhance their skills for future leadership roles and for them to excel in the society in their chosen field of endeavors

We are not just an organization BUT we are a family. As a community of families that live under the vision of One Family under God, we are not living as separate entities in Korea HQ but a defined community intertwined, interconnected and inseparable to Korean HQ sharing and working together centered on one and only True Parents. It is our duties and responsibilities to think of the greater whole and support all of our True Parents endeavor in realizing the Cheon Il Guk in the fatherland. It is part of our life **to live up to True Parents' expectation and offer our** substantial results.

The core of all the above projected vision, mission, goals and objectives is the family that becomes true **owners of CIG by resembling our Heavenly Parent's personality of True Love**. Lets try to become filial daughters of heaven and extended families of the True Parents.
