

Korean-Filipino Family Blessing Festival in South Korea

No word in the dictionary can ever express my gratitude to all those who have supported the Korean-Filipino Family Blessing Festival last July 7th.

More than 100 couples out of 280 participants committed their lives to keep their marriages pure and their family healthy centered on God's true love.

Your attendance and participation will all be recorded in heaven which is unprecedented in the history of Han-Fil families in Korea.

We are the 2nd HANFIL COUPLE to have this proclamation done in KOREA. This is a true victory of HANFIL providence in Korea.

To share this blessing and fortune to all I personally decided to give birth to a new club where we can embrace in one family atmosphere all the 280 people who celebrated with us inaugurating the new "Han-Fil Family True Love Movement" a new club of United Filipinos married with Koreans from Yeongnam District.

This VICTORY would not be possible without the support and love of our dear Unification Blessed Family GLOBAL NETWORK here and in abroad. Without your sponsorships and mobilization of people I couldn't make it possible....

Yeongnam 5 regions, the National officers IFFAKOR, Fil-Japanese Family Association in Japan, and loving individuals in our tribal network....

HINDI KO PO MABABAYARAN ANG INYONG PAGMAMAHAL sa akin.

Salamat po!
