Sunhak Institute of Korean Studies

The GOP (General Orientation Program) Korean language program in Korea for the international blessed children, moved to the HJ Cheonwon Complex (Heavenly Garden - the broad area around Cheon Jeong Gung and the Cheongpyeong Training Center) from Sun Hwa Arts School in Seoul in September 1, 2016 and True Mother gave us a new school name 'Sunhak Institute of Korean Studies' for Foreign Blessed Children.

True Parents wish to enable international blessed children (aged 12~15) to have a chance to learn True Parents' language, faith and tradition. At the end of 2014, True Mother assigned Yeon-Ah Nim as a new director of the international blessed children's education. Now the GOP program is under Prof. Yeon-Ah Moon's direction.

GOP is accepting applications now for 2017-18

Learn Korean! Experience the Unification tradition and life style!

Inherit the Culture of Heart! Take an Adventure!

Dear Unificationist Parents,

You are warmly invited to consider sending your 12 to 15-year-old son or daughter to Korea to participate in the **General Orientation Program (GOP)** for Western students.

True Parents initiated the ten-month General Orientation Program in 1982, with the aim of encouraging students from around the world to learn the Korean language, Korean culture and the Unificationist way of life. Students live and study together with their peers from around the world, which allows them to broaden their perspective not only by encountering different cultures and languages, but also by learning to live harmoniously with different personality types. They practice a life of faith, with daily hoondokhae and evening closing sessions, daily writing of reflections, weekly attendance at Sunday services, and participation in major church events. Everyone who comes to GOP learns Korean, but also grows in heart and spirit.

At the end of 2014, True Mother assigned to us a new principal, Yeon-Ah nim, Hyo-Jin nim's wife. She has since taken a deep interest in our students and our program, which has helped to strengthen it. Despite her busy schedule, she has spent time with the students, encouraging them in their studies. Yeon-Ah nim points out that "only for a limited time will our young people have the opportunity to meet True Mother and participate in her activities here in Korea. This is therefore a very precious opportunity for second and third-generation members."

The Western dormitory superintendent (dormitory parents) since GOP year 2015-2016 are Rev. Olaleye Isaiah Alao and his wife Takako. Rev. Alao served as national leader of Nigeria for eight years. Mrs. Takako Alao also has experience as a teacher and counselor. We are confident that this couple will take good care of your children, guide them well in developing their life of faith, and provide a warm and stable dormitory life.

Our True Mother directed that the dormitory and school of the General Orientation Program now be in HJ Cheonwon from the beginning of the 2016-2017 GOP year. We are now under the direct care and love of our True Mother!

You can anticipate that if your child is selected to attend GOP, he or she will receive True Mother's scholarship for tuition.

To apply, please fill in the enclosed form and send it to gopdorm1@gmail.com.

Please feel free to contact our staff with any questions you may have. We look forward to hearing from you soon! God bless your families.

Sincerely,

Director of Institute
