Re. : Youth and Students for Peace (YSP) Organization Composition

May the Heavenly Parent and True Parents' blessings and love be with you all.

Last year on 1. 27 by the Heavenly Calendar in the 5th Year of Cheon Il Guk (February 23, 2017), Youth and Students for Peace (YSP) was inaugurated by True Parents. After the establishment of YSP Headquarters in Korea, many regional and national YSP branches were launched, creating the foundation for international networking. In the 6th Year of Cheon Il Guk it is our goal to establish an effective and global organizational structure that can firmly advance the YSP providence.

We humbly request your wholehearted support in systematizing YSP chapters in each region and nation, according to the following guidelines.

1. Providential Significance of YSP

A. True Parents' Speech:

"UPF, WFWPI and YSP should unite. The recently established IAPP will completely invest in all respects to support and educate each nation. I am asking you to lead the way to realize Heavenly Parent's great wish, and Heaven's cherished dream." – From True Mother's address to members on the 4th Anniversary of Foundation Day
