### Incheon Community of Family Federation for World Peace Successfully Holds Multicultural Choir Concert

The Family Federation for World Peace, Incheon Community (head of church: Soo-kyeong Choi) successfully held the “Incheon City Wish for Unification Multicultural Choir Concert” in Seonghwang-ri. Along with choirs from seven districts, about 300 participants attended the event, including local people from the surrounding area.

The event started with all attendants singing “Hollo Arirang” together, and continued with performances of diverse Korean folk songs and songs about unification. The songs were presented by different seven teams, and earned great applause from the audience.

In the middle part of the program, the group “Ajupungmuldang,” which comprised seven Japanese women, was welcomed by a warm round of applause when they performed “Samulnori” (“사물놀이” a Korean traditional percussion quartet)...
