## **Pastor's Weekly Greeting**

Dear Brothers & Sisters,

Greetings!

This past Sunday we received a very insightful sermon on Tribal Messiahship by Demian Dunkley.

Afterwards almost 100 members stayed to hear 5 actions steps (also by Demian) and some wonderful guidance from Rev Inose.

My hope is that each family will make an official determination to be a Tribal Messiah family. For that purpose we have certificates. Please talk to Rev. Compton if you plan to do (or are already doing) Tribal Messiaship.

Ideally, before too long, we can conduct Sunday services in which we simply share about our experiences growing, caring for, and dealing with issues that relate to our tribes.

The NY District Witnessing Campaign is going to start from May 3. It will be centered on 4 West 43<sup>rd</sup> Street in Manhattan. Most of my time, until May 23, will be focused there. Below is the letter I am sending to those who plan to participate

To all who plan to participate in the NY Witnessing Campaign (May 3-23)

First, we are excited to work with you on this campaign. NY City is packed with people who are being prepared by heaven to meet you and to meet our True Parents. It is going to be an amazing experience!

**For our theme**, we are going to continue with “God’s Hope for America!” That will be on the front of our T-shirts (on the back we will have “Forgive Love & Unite)

**Our general witnessing attitude:** will be based upon **Tribal Messiah**. We are working to expand and grow our tribe. For those who have not yet made a clear start to their Tribal Messiah mission, every Monday morning we will provide Tribal Messiah Education.

**Witnessing Activity:** primarily on the street near 4 West 43<sup>rd</sup> Street. We will set up book tables, banners, and posters. There will be other possibilities (door to door on Long Is, or Fundraising for charity)

**Location:** the main focus will be centered on **4 West 43<sup>rd</sup> Street in Manhattan**. However our other local communities (Harlem, Bronx, Queens, Brooklyn) will be conducting parallel campaigns and there will be opportunities to witness in those communities.

**Cost:** for those who are planning to stay at 43<sup>rd</sup> Street room and meals are – \$25/day. Those who come to witness during the day, and stay for dinner, we ask for a \$5 donation. For \$12 you can get a T-Shirt and Hat

We will do our best to provide Transportation, but there may be some expenses (The Roundtrip Train to Belvedere/East Garden is \$17.50)

**Basic Daily Schedule:**

For those living at 43<sup>rd</sup> Street:

7:00 am Hoondokae and prayer meeting

8:00 am breakfast

9:00 am activities begin

12 noon lunch

6:30 pm dinner & Introductory DP Presentation

7:30 pm evening program (see below which nights)

9:30 pm programs end

10:00 pm closing meeting

**General weekly schedule:** (EVENING programs begin at 7:30 pm)

Sunday: **AM:** Church service, **AFTERNOON:** visit to Belvedere/East Garden

Monday: **AM:** Tribal Messiah Education, **AFTERNOON:** Witnessing, **EVENING:** Small Group, World Scriptures

Tuesday: **AM:** Witnessing, **AFTERNOON:** Witnessing

Wednesday: **AM:** Walk to Holy Ground, Witnessing, **AFTERNOON:** Witnessing, **EVENING:** "Prayer for Peace"

Thursday: **AM** Witnessing, **AFTERNOON:** Witnessing

Friday: **AM:** visit to 911 Ground Zero, **AFTERNOON:** Witnessing, **EVENING:** Open Mic Friday

Saturday: 1-Day DP seminar, ALSO - Witness in NY City Boroughs (May 6 in Brooklyn) , **EVENING:** Line Dancing

I hope to see you during this witnessing period. IT IS GOING TO BE SOOOO EXCITING!

Let's do our best to make True Mother happy when she comes to NY!

God Bless You

Andy Compton

### **Humor for the Week**

#### **Routine Physical**

**A woman goes to a doctor for a physical checkup. The nurse starts with certain basic items.**

**"How much do you weigh?" she asks.**

**"One-fifty." she says.**

**The nurse puts her on the scale. It turns out that her weight is 173.**

**The nurse asks, "Your height?"**

**"Five-ten." she says.**

**The nurse checks and sees that she's only 5' 7 1/2".**

**She then takes her blood pressure, and it's very high.**

**The woman explains, "Of course it's high. When I came in here, I was tall and wiry. Now, I'm short and fat!"**
