## Cheon Il Guk Anthem

The budding rose of love will bloom with new tidings of hope  
May the world live in new freedom, earth and heaven rejoice  
As the reign of peace brings hope, prosperity and love  
Shining for eternity in Cheon Il Guk in the land of God

The lily beams in heaven's light vibrant colors abound  
In the goodness of the spirit, pure new love lights our way  
Ever prosper in God's love rejoice forever more  
Shining for eternity in Cheon Il Guk in the land of God

The dignity of pure new life manifest the ideal  
As the crane flies over mountains God's command is revealed  
May the world of heaven and earth rejoice in morning calm  
Shining for eternity in Cheon Il Guk in the land of God

True Parents bring true love to all, earth and heaven resound  
For the hope of all the ages, is the kingdom of God  
As the flag of Cheon Il Guk waves firmly for all time  
Shining for eternity in Cheon Il Guk in the land of God
