

50th True Heavenly Parent's Day 2017

Day 1 of the 5th Year of Cheon Il Guk

The standard for true relationships is the parent-child bond of heart between God and human beings. No one in authority can undermine this bond of heart, for it is eternal, unchanging and unique. It is a bond with absolute authority. When you come forth with this authority, all beings will bow their heads before you. When you move with the authority of this bond of heart, the entire universe follows you. This is an ironclad rule of the universe.

Dear Brothers and Sisters,

On the 50th True Heavenly Parent's Day, I want to extend many good wishes for a happy Holy Day and a bright and hopeful 5th year of Cheon Il Guk. Being the recipients of the love and truth of True Parents, we are the most blessed generation in history. Let us renew our commitment and sense of gratitude once more as we move forward in the exciting era of the establishment of Cheon Il Guk.

May the blessings and love of our Heavenly Parent and True Parents continue to guide you and your family.

Sincerely,
