

Lithuanian Members Add Christmas Joy to Family Festival

Jack Corley - December 22, 2018

On December 22, members in Vilnius held a Christmas Party and Family Festival, to which they invited guests. One couple received the Marriage Blessing, and two adult individuals and three children received holy juice.

Blessed children inspired everybody with their performances of songs, poems, music and plays. Family members played games and participated in various contests, and the atmosphere was filled with a high spirit.

A group photograph that was made at the event was chosen to accompany a Christmas card that Lithuanian members sent to True Mother.
