

Significance of October 14th International Peace Marriage Blessing Ceremony

In his June 1, 2009 address for the “Celebration for the Publication of True Father's Memoirs,” which was also shared on July 4th in the USA, Father explained the value of this upcoming Special Blessing Ceremony:

- ❖ True Parents’ coronation and 50th wedding anniversary established a realm of complete oneness of Cain and Abel. This Special Blessing Ceremony opens the gates to a new age of harmony and unity for all humankind.
- ❖ This Special Blessing Ceremony is held in an era where humanity enters the realm of grace of being restored to its original state untainted by the fall— completely inheriting and sharing God’s original heart.

Father explained that this Blessing represents gathering together all 6 billion people of the world on the foundation of the enthronement of the True Parents of Heaven, Earth and Humankind:

On August 19 and 20, 2009, in HDH at Cheong Jeong Gung, Father explained:

“Humanity cannot unite and become owners of peace unless they share a common blood lineage... a condition must be set through which all six billion people in the world, from both the communist and the democratic worlds, receive the Blessing on the same day. Once that condition is set, then the Blessing can be given again and again to cleanse the entire world.”

On the following day, August 21, 2009, Father said:

“If we cannot set the proper conditions together while Father is on earth, you will be unable to set the necessary conditions without me in the future. If we miss the right time, you will have to wait for hundreds or thousands of years. Since it is difficult for Father to set the necessary indemnity conditions to give the Blessing again, the event on October 14 is the beginning point, opening the way to set the conditions needed to Bless the high and low people of this world, who are on different levels, some as high as heaven and others as low as the earth.”

Upon this successful foundation, Father intends to expand the Blessing rapidly in the coming 3 years and 3 months before January, 2013. For this reason he announced on August 11:

“Everyone must receive the Blessing again by October 14 of this year. In attendance of True Parents, you must fulfill your filial duty to establish a victorious standard, calling on all saints in the spirit world.”
