Dear Brothers and Sisters,

May the love and blessing of our Heavenly Parent and our True Parents be with you.

**Happy True God's Day from Korea!** We have been here together with our beloved True Parents, our International President, Rev. Hyung Jin Moon, our President and Senior Pastor, Rev. In Jin Moon and leaders from around the world since February 2, where True Parents prayed at midnight in the Training Center at Cheong Pyeong, together with thousands of brothers and sisters, ushering in the new year with a new motto.

On February 3, the first day of this historic new year of 2011 by the Heavenly Calendar, True Parents celebrated the 44th True God's Day, the 10th Anniversary of the Coronation of God's Kingship and True Parents' Birthday, all on the same day. February 4 was the 28th anniversary of the True Day of Victory of True Love. Both celebrations took place at Cheon Jeong Goong, the Heavenly Palace, in Cheong Pyeong.

According to True Parents direction, Rev. Hyung Jin Moon has planned an entire week commemorated to the celebration of these cosmic events. True Parents attended and blessed the beautiful Cheon Bok Festival, which was held at Cheon Bok Gung on the afternoon of February 3. On the afternoon of February 4, True Parents held a Special Ceremony for the Cheongshim World Peace Center, which will be completed later this spring. It is an incredible complex, which will hold over 10,000 people for international events.

Several American leaders have been attending the National Leaders' World Assembly 2011 at the Cheong-A Camp in Cheong Pyeong. We were able to hear a very inspiring opening speech, given by Rev. Hyung Jin Moon, where he basically shared with us about the development of their nightly Holy Spirit Healing Session at Cheon Bok Gung. In this service, over 350 brothers and sisters (including Christians, who are coming and being healed) come every night to sing, pray and repent. Hyung Jin Nim was so excited as he proclaimed the 'return of the Holy Spirit' to our Movement!

The Leaders' Assembly has been a wonderful opportunity to share victories and breakthroughs from around the world in 2010. Rev. Cotter was able to give an overview of the exciting developments in 2010 in America, centering on True Parents and including the development of Lovin' Life Ministries and the unity of all of our organizations under In Jin Nim's leadership.

The International Leadership Conference, sponsored by UPF International, begins today and runs through February 10 in Seoul. Everyone will gather together on February 8 in Cheong Pyeong at the Training Center for a magnificent banquet in celebration of True Parents' Birthday.

Below is the Motto given by our True Father for 2011.

天情父母地和子女定着終最一体完了 宇宙定着 天一國萬歲

천정부모 지화자녀 정착종최 일체완료 천주정착 천일국만세  
(天情父母 地和子女 定着終最 一体完了 宇宙定着 天一國萬歲)

“Cheon Il Guk will be everlasting when the Parents of heavenly emotion and Children of earthly harmony each settle to the greatest degree, completely become one body and together settle the cosmos” (unofficial translation)

May God bless your family as we enter into this new year together. Let's bring great victory in 2011 for God and True Parents!
