**40-Day Prayer Condition for National Unity and Victory - Wednesday February 23 –
Sunday, April 3**

Joshua Cotter

February 21, 2011

Please offer the following prayer points daily with your family:

1. For the health and safety of True Parents, True Children and members of the True Family.
2. For the success of Lovin' Life Ministries under the direction and guidance of True Parents and our Senior Pastor, Reverend In Jin Moon, so that we can make a beautiful offering of America in the position of the Restored Elder Son Nation to God on Foundation Day, January 13, 2013.
3. For unity with the vision of our Senior Pastor, Reverend In Jin Moon, and for the development of Lovin' Life Ministries across America, centered on the District Pastors.
4. For every Brother and Sister to gain a deeper understanding of how they can contribute to God's Providence to save America through a personal ministry of sharing the "breaking news" and enabling every American to receive True Parents.
5. For every Brother and Sister to clearly hear God's call in their life as we totally invest ourselves during the next two years to win a total victory for God and True Parents.
6. For every Brother and Sister, representing True Parents, to truly love America.
7. For the strengthening of our own Blessed Families, the inheritance and empowerment of all Blessed Children, and the expansion of the Blessing in America.
