Major CORRECTION Regarding March 5 Event in Las Vegas

Joshua Cotter
February 26, 2011

Dear Brothers and Sisters,

The main program at 2:00 PM in Las Vegas on March 5 will be a theatre-style program rather than a luncheon banquet. True Father will deliver the keynote address and music will be performed by Sonic Cult. The morning Original Divine Principle session will end at 12:00 noon and participants can eat on their own before the start of the main program. The gala in the evening at 7:00 PM will feature a full dinner with great music and ballroom dancing. Everyone is invited!

We apologize for the error in our prior communication. Already excitement is building across the nation about this significant event. Together, through our absolute unity, we will bring a glorious victory for Heavenly Father, True Parents and America!

Thank you Brothers and Sisters,

Rev. Joshua Cotter
