All the Tools You Need to Share OSDP with Family and Friends

Joshua Cotter and Heather Thalheimer
August 8, 2012

Dear Brothers and Sisters,

As you know, True Parents have asked us to share the Original Substance of the Divine Principle with 13,000 people before Foundation Day. To support this important initiative, Lovin' Life Ministries, in collaboration with ACLC, has packaged five elegant PowerPoint presentations to help you share the breaking news with your family and friends. Each 45-minute presentation can be shown on a laptop, iPad or smart phone. The presentations are fully scripted and it's possible to simply read along from the script if you feel you are not a formal lecturer.

Click [here](#) to access the presentations through a Drop Box folder

This content makes a great small group curriculum and can be presented one-on-one in a coffee shop. An attractive card is included in the Drop Box folder that can serve as an invitation to your family and friends. Contact your local pastor to let him or her know when you have taught someone all five presentations and to find out how they can become a member of Lovin' Life.

We are praying for your success. Let's meet our goal as a nation and bring great joy to our True Parents!
With best wishes,

Rev. Joshua Cotter
