## Message from Rev. Cotter about True Father's Seonghwa Ceremony

Dear Brothers and Sisters,

May the love and blessing of our Heavenly Parent and eternal True Parents be with your families.

I know that the past few days have been very challenging for all of our Blessed Central Families, especially those living in America. I understand that many of our members are confused about the circumstances surrounding In Jin Nim's sudden resignation from church leadership.

During this time, however, it is my sincere hope that all members of the Unification family worldwide are not distracted from focusing the entirety of their being on attending our True Parents during the process of True Father's ascension. This is a time to offer devotion and gratitude toward our Heavenly Parent and the True Parents of Heaven, Earth and Humankind. All other matters facing our movement will be fully addressed after True Father's Seonghwa Ceremony. For now, we need to focus our efforts on attending our True Parents.

Thank you for your understanding and your sincere devotion.

Sincerely,

Rev. Joshua Cotter
