

FFWPU UK: Ascension Of Susan Crosthwaite

Michael Balcomb
November 22, 2022

Our beloved sister, Susan Crosthwaite, ascended to the Spirit World in the early hours on the morning of Wednesday 16th November.

A [GoFundMe page](#) has been set up to support the Crosthwaite family and to help cover the Seonghwa and funeral costs.

Susan was born April 1955 in Cahuna Victoria - Australia. She went to nursing college in Melbourne and was the first sister to join the Unification Family in Australia. Susan then pioneered several cities in Australia and then went as a missionary to the Solomon Islands. In December 1980, she bumped into Ashley in New York and they've been together ever since.

In the 80's they spent time in California and then moved in 1990 to Russia to teach. Patrick was born in December 1991, and Melanie their daughter arrived 7 years later, when Susan was 43. By this time, they had moved back to England to help take care of Ashley's parents and settled down in Sutton. For the next 25 years, Susan invested her heart into marriage counselling and supporting families, went worldwide teaching the Marriage Enrichment Course, and even wrote a book.

She will be sorely missed by everyone she touched, and our thoughts and prayers are with her family at the time.

Hi, my name is Simon Rosselli, and I'm starting this gofund me page to help Ashley and his family at this sad time. Susan was born April 1955 in Cahuna Victoria - Australia. She went to nursing College in Melbourne and was the first sister to join the Unification Family in Australia. Susan then pioneered several cities in Australia and then went as a missionary to the Solomon Islands. In December 1980 she bumped into Ashley in New York and they've been together ever since. In the 80's they spent time in California and then moved in 1990 to Russia to teach. Patrick was born in Dec 1991 and Melanie their daughter arrived 7yrs later, when Susan was 43. By this time, they had moved back to England to help take care of Ashley's parents and settled down in Sutton. For the next 25yrs, Susan invested her heart into marriage counselling and supporting families, went worldwide teaching the Marriage Enrichment Course, and even wrote a book. She will be sorely missed by everyone she touched and our thoughts and prayers are with her family at the time.

Millions of apologies for those that tried to log into the Zoom link and couldn't. The Hall was filled to capacity and Zoom was over subscribed (which meant some of you couldn't get in) We gave Susan the best send of possible. Her family are truly grateful for everyone's support and were much comforted by everyone's heart and love. The service was recorded and after editing it - this will be put up onto the web and I will send out a link to you all. Again many apologies to those that couldn't join. God Bless - Simon
