

ACLCL's Proclamation of Loyalty and True Love

Tom Cutts
December 19, 2014

FFWPU USA: This Proclamation was presented by the members of ACLC during event in Las Vegas on December 19, 2014

We, the undersigned members of the American Clergy Leadership Conference (ACLCL), wish to express to our Beloved True Mother our deepest gratitude, love and most sincere prayers for True Parents, True Family and the success of God's Providence toward Cheon Il Guk. The course of human history began with the tragic disobedience of Adam and Eve which broke our Heavenly Parent's heart. Through a long-suffering dispensation, God worked to create the path of salvation and in due time he brought his Son, Jesus, to us. Jesus perfected the grace of True Love; however his rejection by the chosen people delayed the Kingdom and broke our Heavenly Parent's heart once again. Jesus victoriously resurrected and brought new life to all who believe in him and God Promised his return. Now, in this era of history, Jesus appeared to True Father and True Mother and they responded to the call of God receiving the anointing as the True Parents of Heaven, Earth and Humankind. Today, we assemble before Heaven and Earth to express our deepest gratitude for True Father, the Rev. Dr. Sun Myung Moon and True Mother Dr. Hak Ja Han Moon. Through the practice of absolute love, absolute faith and absolute obedience they brought us together across denominational, religious, racial, national, political, gender and cultural lines to proclaim and celebrate our commonality. As brothers and sisters we are all created after the image and in the likeness of God, our beloved Heavenly Parent.

Our Beloved True Parents expanded God's Grace through the Blessing of Marriage. In the fullness of time, True Parents commissioned ACLCL to Strengthen Marriages and to Rebuild the Family, Restore the Community and Renew the Nation and the World. Father and Mother Moon brought 13,000 clergy through the Divine Principle and lifted up 172 clergy, engrafting them into their direct family by giving each of them Korean family names! Of those 172, twelve stayed behind receiving the direct guidance from True Parents to stand as Jesus would stand to save America and the World. True Parents have

anointed the ACLC ministers and poured their spirit and love onto them, instructing them to go forth blessing their families and tribes to save the world.

Our True Mother, together with True Father, has walked the thorny historic path and completed the course of True Parents. On June 19th and June 26th of 2010, True Father proclaimed in Las Vegas that “The True Parents have achieved ultimate unity and offered and proclaimed the era of God’s full transcendence, full immanence, full authority and omnipotence upon the standard of perfection, completion and conclusion.” From that moment True Parents forever stand as one and the embodiment of God. There can be no failure in True Parents for they are one with God.

True Mother, only God, our Heavenly Parent, knows the path of tears that you have shed for all humanity. No one knows the unspeakable suffering and painful heart True Mother has endured to endlessly walk the path of True Love in oneness with True Father. True Mother is bearing the cross of True Love to lead the True Family and all humanity into unity. Countless heartbreaks and disappointments and even betrayals were endured humbly, silently and patiently and True Mother, in oneness with True Father, has overcome all suffering to stand victoriously with True Love.

We are deeply moved and grateful that on the second Seong Hwa anniversary in 2014, True Mother demonstrated God’s infinite heart of True Love when she forgave all and proclaimed that our motto is “Forgive, Love and Unite.”

Dearest True Mother, our hearts are bursting with tears of compassion and gratitude when we realize the cross you victoriously carried for us. Your course has opened the path to heaven for all humanity, now and forever more. True Mother always kept her pledge of perfect allegiance to True Father and now is rapidly expanding the glory of True Parents. Therefore, on this 28th Day of the 10th Month of the 2nd Year of Cheon Il Guk, we pledge our eternal allegiance to you as you endeavor to carry on the awesome work of saving your beloved children of every nation under the sun. We want to comfort your heart and assure you that we will seek to lighten your burden by taking up the path of True Parents by living for the sake of others.

We boldly proclaim that as members of the ACLC and representatives of the Second Israel and the Elder Son Nation, in unity with Korea as the Father nation and Japan as the Mother nation, under the sterling leadership and spiritual guidance of True Mother, we will work to rapidly expand and fully realize Cheon Il Guk – the Kingdom of God on Earth, in our Families, Nations and ultimately to see our Fatherland of Korea united as one.

Thereupon, we affix our signatures on this 28th Day of the 10th Month in the second year of Cheon Il Guk (December 19, 2014) in Las Vegas, Nevada.
