The case the Holy Items were in when True Mother distributed them

On April 22, 2016 at The 56th Anniversary of True Parents' Holy Wedding at the Cheon Jeong Gung True Mother gave a precious gift of new Holy Wine, Holy Salt, Holy Candle and Holy Soil.

Someone asked Dr. Ki Hoon Kim why we needed new Holy Items. He explained it was a Blessing.

We often think that the Fall was simply a physical action. But it is much deeper than that. If we are not conducting a Holy Life, we are already Fallen.

True Mother is giving us these Holy Items so we can clean up our past and start all over again.

If you think you didn't make any mistake and don't need these things, You have the wrong concept, your own point of view. God's point of view is different.

The contents of the case are Holy Wine, Holy Salt, Holy Candle and Holy Soil
