On 2. 8 by the heavenly calendar, (solar: March 8, 2014) the '39th Anniversary for the 1800 Blessing' and the '34th General Meeting' (Meeting) was held at the Small Hall of Cheonseong Wanglim Palace at Chung Pyung Heaven and Earth Training Center with around 500 participants.

Starting with Jeong-sun Joe, Chairman of Unification Foundation and Rev. Yeong-hui Kim, one of a great leader of unification family and others participated to celebrate this gathering. This Meeting was held in 4 parts with Mr. Jong-so Yu, Vice Chairman as the master of ceremonies. Part 1 was the pilgrimage to Cheon Jeong Gung Museum, Part 2 was the 39th Anniversary Ceremony, Part 3 was the 34th General Meeting and last but not least Part 4 was entertainment.

Standing Advisor Du-jae Jang offered an opening prayer, 'We were in our 20s and 30s started a family and participated in True Parent's Providential Victory and before we know it, it has been 40 years. I express my gratitude to the heavenly parent that you have protected us so that we could attend the Will without a changing heart.'

A congratulatory address was offered by President Yeong-hui Kim who was following True Mother's words.

He started, 'I was requested by True Mother to stand here and tell you her words, "Listen to True Father's words"'. He then talked about the hardship that True Father had to live throughout his life course and added, 'The 'Everything has been completed' which are the final words of True Father. This is very important. At the very end of Cheon Seong Gyeong you can find True Father's final prayer. It is his legacy. To follow his legacy is our path and our responsibility.' He emphasized that we too should walk that path.

Then Mr. Jong-sun Joe came to the stage and said 'It's great that we are celebrating the 39th year for our blessing. We have fulfilled our responsibility in this unification family and we are still working hard for the heavenly parent. I too as a Chairman of a Foundation is doing my best to raise talented 2nd generations.'

Hoon Mo Nim who is also a 1800 Blessing said, 'Time flies by so fast and before we know it we are already grandfathers and grandmothers. The memorable incident that happened here in Chung Pyung Works is the Seonghwa Ceremony for True Father and the Original Garden of True Father. One month before the Seonghwa of True Father he came to Chung Pyung and told me about what must be done before the year 2020 and about witnessing and about the True Parents' Life Museum. All of this must be done with the cooperation of the members.'

After the report of the Regular Meeting and others a present was given to 77 brothers and sisters who celebrated their 77th birthday.

The entertainment was a very beautiful moment. Starting with a saxophone play, folk song, guitar performance, choir singing and many other performances were shown to raise the atmosphere. There were also quiz games and rock-sister-paper games which also made it fun for everyone.

After all the programs the members gathered in front of the Jeongshim Won Prayer Hall to take a commemorative photograph and promised to return next year with a greater report for their activities.
