

Peace Ambassadors Chung Pyung Special Seminar

Dae Mo Nim

October 10-13, 2014

From 9. 17 – 20 by the Heavenly Calendar (solar: October 10-13) 113 Peace Ambassadors from around Korea came to Chung Pyung Holy Ground attending the '5th Peace Ambassadors Chung Pyung Special Seminar' held by the Universal Peace Federation (UPF-Korea).

This seminar is held with the purpose to let the Peace Ambassadors to realize that True Parents of Heaven, Earth and Humankind are the Messiah through the Unification Principle education and the experience of Chung Pyung Works. The Peace Ambassadors did their best at attending so that they could be reborn as the true children.

During the seminar, Rev. Jeong-ro Yuk, UPF-Korea president said, 'Through individual perfection and establishing happy families is the core in order for realizing a peaceful world.' He emphasized the ideal for a true family and told the listeners to practice the words of True Parents so that they could stand in the front line of peace activities.

Rev. Myeong-gwan Lee, Director for Education and Planning, Chung Pyung Heaven and Earth Training Center, said, 'Chung Pyung Holy Ground that looks up to Cheon Jeong Gung Museum, a model of heaven, is the home country of hearts of all the people around the world and is a holy ground. People will constantly come to Chung Pyung with a longing heart.' And he then continued on introducing about the Cheon Jeong Gung Museum and the meaning and value of Chung Pyung Holy Ground.

The Peace Ambassadors then came to Chung Pyung Heaven and Earth Training Center to attend a Chanyang session. After attending the Chanyang they went to the Jeongshim Won (Prayer Hall) to offer a report prayer. Dae Mo Nim said, 'When your life becomes truthful then a world without pain will be established' and then emphasized to the members and Peace Ambassadors that we must establish the Will of the Heavenly Parent while True Mother is still on earth.

For the final program the Peace Ambassadors went to visit the Cheon Jeong Gung Museum. A Peace Ambassador said, 'This place is special and I feel very spiritually peaceful. The moment I arrived here I felt peace and diligent. We have to be proud of having such place in Korea' and expressed their gratitude to True Mother who allowed the visit to the Cheon Jeong Gung Museum.
