On Sunday, June 2, 2019, the Reverend Levy Daugherty was installed as the new pastor of the Atlanta Family Church in Ellenwood, Georgia.

The articulate-energetic preacher came forth singing God's praises.

He declared that people from all over Atlanta will be coming to their church to worship with them and that the church members must prepare to receive them...

youth will be coming, choirs and surprise celebrities will be coming, as well!

This preacher has a plan, a plan for the extraordinary to prevail... a plan to fill the church with God's people.

The Atlanta Church will be filled with love; love for God and love for God's people!
