

LAST CHANCE to REGISTER for the Parents' Matching Convocation!

Crescentia DeGoede
October 18, 2013

**BE AMONG THE FIRST TO RECEIVE THE NEW FAMILY MATCHING HANDBOOK
2nd EDITION!**

Parents... do you feel challenged by the responsibility of guiding your children through the matching process? Do you wish you knew more families, or had a better idea of what steps to take? Would you like to learn the most valuable insights from those who have already experienced successful matchings, or hear from happily matched young couples about what works and what doesn't? Do you think it is important to be well-prepared before your children reach the appropriate age to begin? Would you like to discover hundreds of candidates and families, and meet many of the parents in person? **If your answer to any of these questions is "yes," then the Parents' Matching Convocation is for you!**

All PMC participants will receive the newly published, completely updated Family Matching Handbook, filled with tools, information and best practices. They will learn about the matching websites, the international matching process and other resources to support them in matching their children. They can meet Matching Advisors, who are prepared to assist and support them.
