Cheong Pyeong & Ancestor Blessing

Sharing the Blessing with our Ancestors

UPCOMING EVENTS

Ancestor Blessing is an opportunity that True Parents established to share the Marriage Blessing with our family members and ancestors who were not able to receive it during their lifetime.

"My hope then is that all of you can liberate all your ancestors and lead them to the Marriage Blessing and I hope you can accomplish this mission of making your ancestors absolute good spirits. This is the responsibility that you have been blessed with as Blessed Families."

- True Mother
