Crescentia DeGoede
October 30, 2021

Message From Our Pastor

Dear Brothers and Sisters,

This is just a quick message to say that my heart and prayers are with you. Each of you is a unique and precious child of God, and I'm so glad you are part of our community. I hope you can take some time to feel God's presence in your life and connect to your many blessings this week.

Also, for those that have been wondering the Tree of All Things candle that was mentioned during the Autumn Special Great Works has arrived in the US and will be multiplied and distributed this week. Please stay tuned for more information.

Please take care and many blessings to you!

Sincerely,

Pastor Crescentia

A poster for the 'Family Values for Peace' event. The top features a banner with the text 'World Peace through Healthy Families' and a decorative border of autumn leaves. The main title 'Family Values for Peace' is written in a large, pink, cursive font. Below the title is a silhouette of a family of five (two adults and three children) running hand-in-hand across a field towards a bright sunset. To the right of the family silhouette are three circular inset photos: the top one shows an elderly couple, the middle one shows a family of four, and the bottom one shows a young couple. The event details are listed in white text on a dark background: 'Saturday, November 6, 2021', '9:30AM - 5:00PM', 'Clifton Family Church', and '78 DEMOTT AVE, CLIFTON, NJ 07011'. Below this is a quote in pink cursive: 'Let us share in a growing awareness among leaders throughout America that we need a new paradigm through which to view, understand and resolve the critical challenges of our time. Let us do this together, as one nation.' At the bottom, there is a QR code, a registration link, and the host information.

Blessing Fest "Marriage for Peace 2021" Watch Party Host Form

For the upcoming December Blessing Festival featuring True Mother's message, the focus for outreach will be on physical and virtual watch parties. This will be an effective way to present the Blessing Fest broadcast, and assure not only engagement with the content but growing relationships that can be followed up with.

Each watch party needs to have a "Host" who manages invitations (members and

guests), schedule, any program surrounding the broadcast, etc.

The FFWPU-USA team encourages everyone interested in hosting their own watch party, to register as a Watch Party Host through the following form as soon as possible so you can receive support and resources and be included in the offering to True Mother.
