Las Vegas Family Church Shine City Project At Aunt Adela Maimot's House

Ken Doo October 24, 2021

I wanted to report that we held a service project at Adela Maimot's home. It was initiated by Mimi and supported by Shine City Project. Also we had three youth from the neighborhood join in.

It was a good experience for all - and Adela, who just had knee replacement surgery was very happy. She helped feed everyone and made a special cake for the occasion.
