Participants at the Pure Water Youth Assembly

The East Africa Family Federation held a Pure Water Youth Assembly from August 9-10 at the Sasamoto Center in Nairobi, Kenya, with the theme 'Let's Flow Together, Let's Grow Together.'

Leaders from each region participating via Zoom

This assembly became an opportunity to strengthen future generation solidarity with approximately 100 young people from 3 countries including Kenya, Rwanda, and Uganda participating both online and offline.

David Philly, East Africa Regional Director, encouraged the young people, saying, "You must become the light of True Parents in all providential fields."

Assembly participants reflected on Pure Water's identity and mission through lectures and discussions, reaffirming their commitment to solidarity and collective action.
