### Determination for a new beginning toward 2026

A Heavenly Asia-Pacific 40-Day Special Devotion Workshop was held at the HJ Heaven and Earth CheonBo Training Center from December 27 to February 4 (HC 11.8-12.17).

A total of 115 participants from 14 Asia-Pacific nations received education in faith and on the life course of True Parents, and took part in chanyang sessions, vigil devotions and special pilgrimages.

Participants resolved to begin the year 2026 with strengthened faith, unity, and spiritual determination.
